

There is an Abundance of Fruit this Year

The countries from which we import our semi-tropical fruits had an exceptionally good summer. In consequence the quality is very good, and the prices are low.

We buy from the early shipments, and so can assure you of the finest fruit. When you buy from us, you may be sure you are getting the best that can be had.

New Table Raisins, and New Table Figs will be here next week, and they are cheap. Prices will be given as soon as we receive them.

New Nuts will be here the early part of November. You know they have become a popular food, recommended by physicians.

New Spanish Grapes are already here, and are delicious. Fresh Oranges are also in, and will be plentiful this year. Prices will be low, and quality is good.

New Prunes are here, and are cheaper than they have been for some years.

"HOT BLAST"

Coal Heaters

Although very much cheaper than the baseburners, still, for volume of heat and general goodness they are unsurpassed by any stove made. Perhaps you want a neat appearing stove with plenty of heating capacity and are not very particular about its being very ornamental. That is where the Hot Blast comes in.

Come in to night and let us show you the finest line of stoves in Chatham.

A. C. McKay and G. G. Taylor returned from St. Luke's Club last night. They brought in with them 27 ducks. The shooting was only good yesterday. The two gave one particularly good exhibition of duck shooting. A flock of eight red heads came into their decoys and they got the eight. Mr. McKay had his pump gun and Mr. Taylor a double barrel so that for eight shots they got eight ducks. This is considered the high average.

\$10.00 Overcoats and Suits

We beat the world on \$10.00 Overcoats and Suits. The less an Overcoat or Suit costs the more care is needed in buying. Cotton or bad making isn't really so likely to slip into a \$18 or \$20 Overcoat or Suit as into a \$10 Coat or Suit.

We keep cotton out of this garment by making a hard and fast rule, nothing but wool and good wool. We keep bad making out by picking out makers; if you want the best value to be had in a \$10.00 Overcoat or Suit. You can get it right here.
