C. H. Borden,

The Annapolis Valley is universally cognised as the garden of Nova Scotia One of the signs of the prosperity and Cornwallis is usually considered as the garden of the valley. But if we with which the matter of rates and taxes are to take the judgement of the assessiors, who should be the best qualified to some ten or twenty years ago happened induce the weelth and prespective of a judge the wealth and prosperity of a at any time to come up for consider, section, we must come to the conclusion ation they invariably excited feelings of of the season.

ACCIDENT:—We regret to learn that Horton, instead of Cornwalls, should impatience; and very earnest language used to be heard in the street and in the incorporation of Kentville into a places of business. But that time has

In the incorporation of Kentville into a places of business. But that time has passed away and all these burdens, as a dwealthy Ward in Horton, while Ward 2 is evidently the most wealthy were then esteemed, and now remember the Pr Rand, died at Hantsport on Wednesday of last week. He had been all for some time. decreasing in valuation year by year

Our Coal...-The total coal shipment whilst Ward 8 has been regularly in more than sufficient for every want and from Nova Scotia last year reached creasing during the same period. Com- a handsome surplus from which to pay 1,560,150, a decrease of 16,541 tons as paring these two Wards we find that the any taxes that the authorities and officer area of Ward 2 is considerably greater than that of Ward 8. Each contains true of the immediate past; a greater

are more compact than in Ward 8, and indirect, and amounting to what would The Rink.—The weather during the seek has been favorable for the Rink and the ice is in a fine condition. The Rink is patronized more this winter than that of Ward 8, and the board of revisers and appeal, one of whom is a purses are so aldermanic in proportion resident in Ward 2, seems to be of the and form, and are so impatient to dis-

same opinion, as we understand they gorge their bulky or weighty contents?

The limits of a newspaper article will greater than in Ward 2. Taking it for granted that the assessers have been than one of the three, and that will need.

We wish you one a Happy New Year, honest in their valuations of these two to be curtailed far beyond its ments wards we must come to the conclusion for the scheme is a most magnificent one that the land in Horton is more fertile and as it will require most princely contrithan that of Cornwallis or that the butions, direct or indirect, it will necess farmers of Horton are better skilled in sarily be in universal favor. It is to

THE CHEAPEST PLACE IN TOWN TO BUY YOUR EATINGS.

Everything Tolerably Cheap!

Goods sold by me are warranted not to rip, tare nor ravel, nor run down at the heel. Our goods are all silk and a yard wide and won't shrink on the way home; and don't you forget it.

Talk About Tea!

We sell the best Tea in town. It is Tea. Not merely Tea by name, but Tea that will make your hair curl. Our 3 and 5 lb. Caddies are hermetically scaled, and their tea won't lose its strength. We warrant our caddies, and if after trying you find that the tea is not just what we represented it to be, you can return it and get back your money in full. We do not charge you for any that you have used for trying. We sold about 500 Caddies of Blended Tea in 1889, and only had one caddie returned. Our prices are: 3lb Caddies, \$1; 5lb Caddies, \$1 50.
