"I have several friends here, including Nat Goodwin, and five or six from Los Angeles. Many Americans come to the Orpheum while I am training. I like Carlsbad very much. I made \$50,000 in the last twenty weeks before I left home. I will do my last training to-morrow, after which I start for Paris."

San Francisco, Cal., Sept. 22.—Jack Johnson, the negro champion, matched to meet Stanley Ketchel before Coffroth's Colma Club on October 12th, today started active training for the mill. The big fellow has mapped out a busy programme, in which boxing will serve as the main feature of camp life. In meeting Ketchel the negro anticipates a gruelling battle, owing to the terrible speed of the Michigan, but visitors to Johnson's quarters to-day received Jack's solemn promise to see a quick finish. According to Johnson's line of dope, the fight will go fewer than twelve rounds.

Chicago, Ill., Sept. 22.—Stanley Ketchel, middleweight champion, who will meet Jack Johnson on October 12th in a twenty-round go at Coffroth's Colma Club, asserts that he will trim the negro easily. To substantiate this statement, Ketchel told the style of battle he will carry to the giant negro.

"I'll rush Johnson from the tap of the bell," Ketchel said, "and his fights with Burns and O'Brien showed he is no mixer. He could not hit either of them hard enough to put them away, and I am sure he cannot hit me hard enough to hurt. I am positive that I can break down his guard and land one or two of my wallops, which, I think, will be sufficient for him. I intend wading right in and using the same tactics I employed in my fight with O'Brien, when I put the Philadelphia away in three rounds. Johnson in his fight with O'Brien showed no tendencies to mix matters, but preferred to stay away at long range and endeavor to outpoint the Easterner."

"When I meet Johnson he will be up against an entirely different man from O'Brien and I'll beat him as sure as I am standing here. I weigh about 175 pounds now, and will enter the ring with Johnson at about the same weight. I was in grand condition for my fight with Langford, and am sorry it did not come off, as I am absolutely sure I can beat him any old time. Had this fight taken place I did not intend standing off and swinging at him, but I had outlined an attack which I am sure would have battered him down and given me the chance to land a couple of hard punches. I am sorry I missed the chance to fight him, but it may come again."

This was the confident manner in which Ketchel talked while in the city.

On his way to the coast to prepare for his battle with Johnson. He spoke in all sincerity, and said he would wager a large amount on his chances at the prevailing odds on the day of the fight. Brit, Ketchel's manager, voiced the same statements, and is confident Stanley will beat the negro. The pair left for the West.

IT'S UP TO HIM TO DO THINGS.

HEAD COACH JONES.

This gentle looking mastodon is one Howard Jones, head coach of the Yale football eleven. In 1907 Jones played right end on the Eli Varsity and took his medicine like a little man whenever the coaches got a hunch to give him a grueling. And now it's his turn to drill candidates. As the man behind the men behind the line it is up to Jones to whip a championship eleven into shape and get back the scalp lifted by Harvard last fall. The outlook at New Haven is particularly bright, and the chances of beating the crimson appear bright to the followers of the blue.

BEST ATHLETES HERE FOR THE KERR MEET.

Great Interest is Being Taken in the Event, and a Big Crowd Will be a Britannia Park on Saturday Afternoon.

Illustration of a runner.

AN INDICATION OF the interest being taken in the Tiger games to be held at Britannia Park on Saturday, Sept. 25, starting at 2.30 p.m., is shown by the large and strong team that the Irish Canadian A. C. of Toronto has entered in the various events in the big meet. Secretary Billy Gladish forwarded the entries yesterday, and the bunch include Bob Elliott, Len Kyle, F. McGillicuddy, George Flint and Tommy Hitchin in the sprint, Billy McMillan, Chuck Shee and his brother in the quarter, Chuck will try the mile too, while Claude Pearce, Buxton, McCormack, Geo. Black, Harry Lawson, Tod Sloan, and a couple of others are entered in the 5-mile run.

The five-mile run will be the big race of the afternoon and a pretty classy field will start. In the first place Scholfield, the famous Toronto central runner, will be on scratch, and with him will be George Richardson, the crack Hamilton boy, winner of the ten-mile Labor Day event, and regarded as the most promising five-miler in the country. Next to this pair will come Tod Sloan, the chap who was second to Richards on Labor Day, McCormack, the winner of the Foster Marathon of two weeks ago, Harry Lawson, the old Toronto runner, who was fourth in the Brantford to Hamilton Marathon last spring, Claude Pearce, Scotty Phinn's old rival, Galbraith, the Toronto cross-country runner, and member of the Olympic team, and Don McQuinn, Billy Melody, George Adams, Phinn, Smith, Albert Richards and a host of other good boys from Hamilton.

John Near and Tressider, of Central Y. M. C. A., are two more entries in the five-mile event, and as the race is a handicap, it should prove one of the most exciting affairs of the year, especially as the field is even classier than the field which started in the Dunlop trophy race on Saturday.

It is a strange feature about athletic meets held in Hamilton that the entries cover a larger range of territory than in the case of games held in Toronto. In addition to Lakeman, of Montreal; Dent, of Woodstock; Selert, of Toronto, to meet here will see athletes from Stratford, London, Niagara Falls and from way up in Peterboro', making a raid on the prizes, and it might be said, that these same prizes are some of the most valuable rewards that have been given at any meet this summer, including, as they do, all serviceable articles. Tommy Stafford, of West End Y. M. C. A., phoned this morning to say that he had completed arrangements to bring a very strong team up, and he would have every West End athlete with the exception of Jack Tait in line. This was because the entry list, which now reaches 150, will almost reach the 200 mark. The West End athletes are all good men, and will make the competition even more exciting.

The programme is an elaborate one, and with special features on for the Rugby players, added interest should result as they will afford the fans their first opportunity to see some of the old favorites in action.

SHRUBB FORCED TO QUIT. Mrs. Alfred Shrub, of Victor avenue, Toronto, yesterday received a wire from her husband, who is now in Victoria, B. C., announcing that he would leave for home to-day.

Shrub had many matches arranged on the coast and in various American cities through which he had planned to return by way of Seattle. These matches have all been cancelled owing to Shrub's left leg, which has bothered him more or less for a year, having gone back on him entirely. The tendons, which were strained in his race with Acose at Winnipeg, in which the Indian won when Shrub quit, refuse to mend.

N. L. U. MAY BREAK INTO HOCKEY

National A. A. of Montreal Said to be Anxious to Get Lacrosse Clubs in the Winter Game.

A move emanating from the National A.A.A. of Montreal is on foot to form a hockey league composed of all the teams represented in the National Lacrosse Union. It is learned Nationals are determined to break into hockey this winter and will have as the nucleus for a team such men as Jack Laviolette, Pitre and Teddy Groulx, the latter being booked for goal. The National A.A. A. purpose calling the meeting in the course of a month and will ask every N. L. U. club to be represented.

Nationals have repeatedly tried breaking into the E.C.H.L. for a number of years, but have always been blocked. This latest move is believed to be in the nature of a retaliatory departure.

LACROSSE

News comes from Cobalt of the death there of Con. Marrin, which took place a few days ago from a complication of typhoid and diphtheria. Marrin played on the Owen Sound lacrosse team which won the senior championship of No. 4 district of the senior Canadian Lacrosse Association in 1904. Barney Quinn, Billy Fagan, Paddy Kelly and Mike Shea, of Ottawa, were also members of this team. Marrin was a dashing home player. He retired from active participation a year ago, and had been employed with the Nova Scotia mine up to the time of his death.

Harriers to Meet.

There will be a meeting of the East Hamilton Junior Harriers Club on Thursday evening at 8 o'clock. It is important that all members should be present.

BOWLING

The game for the trophy donated by Dr. J. W. Edgar for the single championship will be played on the Thistle lawn on Thursday, Friday and Saturday of this week. The trophy will remain for one year in the possession of the club whose representative is successful. The contestants are the players who succeeded in winning the first and second prizes in their respective clubs. Twenty-one points will constitute a game.

MEETING OF LACROSSE PLAYERS.

A meeting of the players only of the junior Tiger lacrosse team will be held to-night at J. W. Nelson's. All players should be present.

WATCH THE WIRING.

The entire wiring of a car should be carefully examined from time to time for signs of wear in the insulation. At certain places the wires are exposed to continual, though slight, friction, which will ultimately break through the insulation and establish a short circuit. The timely application of a little insulating tape will often save much trouble in this respect. The heat of the exhaust pipe or muffler, for example, will melt the insulation of the high tension cable, if too close and cause a defect.
