HELD OVER.—A batch of district correspondence and other news of interest had to be held over this week.

FLAGS FLYING.—All the flags in Gagetown are flying in honor of the relief of Ladysmith.

CALLED TO ST. JOHN.—Mrs. H. B. Hall was suddenly called to St. John on Monday, owing to the serious illness of her mother.

MEMORIAL CHURCH.—Services will be held in the Methodist Church here on Sunday at 11 a. m. and 7 p. m. Rev. I. N. Parker, pastor.

Every person using Union Brand Tea remembers his first purchase with pleasure.

CHANGING WEATHER.—After the rain on Sunday a cold wave set in and on Monday night it was below zero.

QUEENS COUNTY QUARTERLY MEETING.—The next session of the Queens County Baptist Quarterly Meeting will be held at Juncos, beginning on Friday, March 9th, at 7 p. m. Sessions continue over Saturday and Sunday.

A HEAVY RAIN.—One of the heaviest rain storms that has visited us this season took place on Sunday and swept most of the snow that had fallen the week before off. The streets are covered with ice which makes travelling dangerous at present.

DR. H. J. PUGHLEY, V. S., the skillful young operator will make a tour through the Counties of Sunbury and Queens beginning May 7th. This young man is unexcelled as a castrator and will be pleased to accommodate the public in any line of the Veterinary Profession.

DIED AT DOUGLAS HARBOR.—The death occurred at Douglas Harbor, Queens Co., N. B., on Tuesday night, of Emily, widow of the late Almer Balmori, in the 79th year of her age. She leaves four sons, George and William of Woodstock, Asa at home, and Havelock of Boston, and two daughters, Miss Alice Balmori of St. John, and Miss Bessie Balmori at home.

SHOULD BE LOOKED AFTER.—A number of boys greatly disturbed the Farmers' Meeting last Wednesday evening, by whistling at the door and making all kinds of noises around the hall. Steps should be taken toward teaching the offending parties a lesson. The citizens of our town have a right to be protected from such rowdiness and the looking up of those who participate in the disturbance would probably have a beneficial effect upon them and insure better conduct in future.

A MINISTER REMEMBERED.—The many friends of Rev. I. N. Thorne, Westmorland Co., met on the evening of the 17th inst. at Deacon N. B. Leonard's. After the usual greeting of friends, Deacon Nichols was appointed chairman and presented our Pastor with a purse also a cap, scarf and a pair of driving mitts. Mr. Thorne replied in a few well-chosen words. The ladies had provided a suitable lunch and a very pleasant time was spent. At the close the party the choir sang "God be with you till we meet again." Rev. Mr. Thorne pronounced Benediction.

BOAL, A. LUTZ, Clerk 3rd Moncton Church.

A PLEASANT SURPRISE.—A very pleasant surprise came to the Rectory of St. James Rectory, Lower Jones, last week through the visit of Church Warden Elliott, on behalf of the members and friends of Saint Luke's church, Waterborough. With a heavy laden sled of good things Church Warden Elliott arrived at the Rectory to gladden the hearts of the Rector and his wife, but a surprise came to him, the Rectory was empty. However, upon their arrival the good things were discovered at a neighbor's house and quickly transported. The Rev. A. Gollmer takes the opportunity now through the press, of thanking all the kind members and friends for their generosity and hopes in the near future to thank them personally.

FARMER'S MEETING.—A farmer's meeting, under the auspices of the Department of Agriculture of the New Brunswick government, was held in the Temperance Hall here on Wednesday evening last. Quite a large audience was present, among them were a goodly number of ladies. Mr. H. B. Hall was chairman and after a few remarks introduced the speakers, Messrs. Tompkins and Blair. The speakers were well rendered, and attentively listened to and were very instructive to the farmers. A number of questions were asked the speakers which received prompt answers. Mr. John R. Dunn moved a vote of thanks to the speakers, seconded by Mr. R. C. Babbitt. A vote of thanks was also tendered the chairman.

A MEAN ACTION.

—When the members of Queens Division went to raise their flag on Tuesday they found that someone had cut the halyard. This is one of the meanest and most contemptible acts of which any person could be guilty.

ENTERTAINMENT.—There will be an entertainment in the Presbyterian Kirk, Headline, on Friday evening, March 2nd, at 7:30 o'clock, in aid of the Woman's Foreign Missionary Society. There will be Gramophone selections, Recitations, etc. A good time may be expected. Admission 10 cents.

A VERY PLEASANT EVENING.—A very pleasant evening was spent at the Rectory of St. James Church, on Monday evening last, by a large number of the parishioners, the occasion being the opening of the Rectory at the residence of the new Rector. During the time that the Rectory has been unoccupied it has undergone a number of repairs, a furnace having been placed therein and has been thoroughly renovated, and now presents a neat and homelike appearance. The evening was much enjoyed, the ladies present furnishing music, and various games were indulged in. Cakes and coffee were furnished by the ladies of the congregation. Short speeches were made by the Rector, Messrs. T. H. Gilbert, J. R. Dunn, T. S. Peters and others. The assembly dispersed after wishing Mr. and Mrs. McNamara every happiness in their new home.

MONTREAL, Feb. 21.—John Barry, eldest brother of Odo Barry, killed in South Africa, on learning of his brother's death, telegraphed the minister of militia for permission to fill his brother's place, offering to pay the cost of his own transportation to South Africa.

OTTAWA, Feb. 22.—After routine in parliament yesterday Sir Wilfrid Laurier said it seemed the proper time to call the attention of the house to the news which had arrived from Africa. The news was partly cheerful and partly sad. It was gratifying to know that the Canadian troops had died doing their duty. It was the nature of war that its triumphs were mixed with tears. Twenty of the Canadian volunteers were dead and sixty were lying between life and death. Their heroism would inspire us, if it were necessary, to do our duty. We may assure the stricken families of our deep sympathy and tell them that the loss they suffer is not their own, but the loss of the whole country.

Sir Charles Tupper said the Canadian troops in Africa had realized what was expected of them. Those who fell have given their lives for their country and for a righteous cause. They have not only won undying honor for themselves, but have conferred honor on their country. The heartfelt sympathy of this House will go out to the friends of those who have fallen. The tears of glorious victories are thus tempered with sadness.

OTTAWA, Ont., Feb. 22.—The following is a copy of the cable message sent by the premier to Gen. Oller, last night: "OTTAWA, Ont., Feb. 21st, 1900.—I desire to convey to you and your men the grateful thanks of the government and parliament of the Dominion for the gallantry displayed on the battlefield. Canada warmly appreciates the sacrifices made by her sons for the honor of the Empire. The wounded have our sympathy and our prayers for speedy recovery. Those who have given up their lives will ever be held in remembrance by a grateful people. (Sgd.) WILFRID LAURIER."

VICTORIA, B. C., Feb. 21st, 1900.—With flags at half-mast, the city mourns the loss of 40 per cent of her volunteers in the first South African contingent. The legislature adjourned today as a tribute to the dead. The flag on the United States consulate is among those at half-mast. The men killed were mostly members of Col. Gregory's regiment.

HALIFAX, N. S., Feb. 21.—Private G. F. Adams of G. company, who was among the wounded in Sunday's engagement, is a step-son of Captain Charles F. Harrison of St. John, transport officer of the Milwaukee contingent, who sailed today. As Mrs. Harrison, who came over from St. John, was bidding her husband goodbye, she was shown by Colonel Markham St. John, a telegram with the news of the battle and the name of her son in the casualty list. Mrs. Harrison has now a brother, two brothers-in-law, husband and son in the Canadian contingent.

Horrible Fatality.

FREDERICTON, Feb. 21.—News comes from Lakeville Corner, Sunbury county, this afternoon of the horrible fatality by which Edward Lawrence, his wife and

three children were burned to death in a fire which consumed their home at that place last night. The hired man and one child, the only other inmate of the house, escaped. Lakeville corner is in the parish of Sheffield, about four miles back from Sheffield Village.

FREDERICTON, Feb. 22.—From details which have come to hand to-day of the Lakeville Corner fire, in which Edward Lawrence and his wife and three children perished yesterday morning, it is almost impossible to perceive how any of the inmates of the house failed to escape.

The house was a two-story one, with all, also of two stories, attached. The second floor consisted of a hall, running from the front to rear, on one side and two bedrooms opening therefrom on the other side. A flight of stairs ascended from a point a few feet back from the front door in the lower hall to the rear of the upstairs hall to the room over the kitchen in ell. On Tuesday night there slept in the house Mr. and Mrs. Edward Lawrence, aged respectively forty-six and forty-five; their two sons, Woodville and George A., aged respectively eighteen and seventeen; their two daughters, Jane and Theresa, aged respectively thirteen and eleven; Mrs. Lawrence's sister, Miss London, and Oscar Little, a carpenter, who had been doing some work about the premises. Mr. and Mrs. Lawrence and their son George, were asleep in the front room, the two daughters and Miss London in the back room, and Woodville and Little in the hall. Woodville arose at 5:30, and after putting a fire in the kitchen stove, went out to the barn some distance from the house, to attend to the horses and cattle. While he was in the barn Miss London was awakened by the smell of smoke. Going into the hall she opened the door into the ell and found the room over the kitchen filled with smoke and flames beginning to eat through from the kitchen, but barring the smoke, there was no sign of fire in the main house. Miss London at once aroused Mr. and Mrs. Lawrence and the other inmates of the house, and, leaving her two sons dressing in her bedroom, proceeded to carry out a sewing machine and other articles of furniture.

Mrs. Lawrence rushed down stairs and out to the back door yard, after calling to Woodville in the barn that the house was on fire got a pail of water and ran up to her bedroom with it. In the meantime Little seems to have jumped out of an upstairs window and alarmed some neighbors. Neither Mr. and Mrs. Lawrence nor any of the three children having got out by this time, Little raised a ladder to the window of the front bedroom, climbed up and broke the window. Mr. and Mrs. Lawrence were then in the bedroom, and Little called to them to come out. Mr. Lawrence answered: "There's no use trying," and this seems to have ended all attempts to rescue them. By this time the hall was filled with flames and ten minutes later the whole building was a mass of fire. When the building fell the bodies of the five victims came down with it in a heap, indicating that they had all got together in the front room. They were burned to a crisp. The story seems an almost incredible one and is consistent only with the theory that all the inmates completely lost their minds in the excitement occasioned by the discovery of fire.

Rug, Mat and Carpet Makers.

Always Use the Diamond Dyes.

They Give the Richest, Most Brilliant and Most Fast Colors.

Ninety five per cent. of the rugs and other materials used in the manufacture of home-made mats, rugs, and carpets are colored by the Diamond Dyes.

Why? Because the Diamond Dyes always give to cotton, wool and union materials the fullest, brightest, richest and the most lasting colors; sun, soap or washing cannot fade Diamond Dye colors.

Mrs. D. Davidson, Covey Hill, P. Q., writes thus: "I have been using your Diamond Dyes for many years, and they have always given entire satisfaction. To-day we emptied two packets of your dyes and I am obliged to buy more as we are making sixty yards of rug carpet. I have used your cotton colors and I think they are beautiful. The stripes in my carpet—black, green, red and yellow—are rich. I cannot sufficiently praise Diamond Dyes; all my neighbors speak well of them."

The Beginning of

Heart Failure

Thin, watery blood, and weak, exhausted nerves the real cause—Dr. Chase's Nerve Food the preventative.

Persons subject to this blood and nervous exhaustion may well tremble at the mention of heart failure, as they have in their system the beginning which lead to weakness of the heart. The vitality of the heart is amazing considering the immense amount of work it does, and so long as it is supplied with plenty of rich, red blood it plods on untroubled, rebuilding its waste as the blood passes through.

Once the blood gets thin and the nerves starved and exhausted the waste gradually becomes more rapid than the restoring process and finally some nervous shock or over-exertion causes the beating to cease and life departs.

Headaches, pains in the back and limbs, sleeplessness, weakness and irregularities of the feminine organs, palpitation of the heart and nervous disorders are sure indications of this weak blood.

Dr. Chase's Nerve Food forms new red corpuscles in the blood, puts vital energy into the nerves, and stops the wasting process that would ultimately end in heart failure, nervous prostration or paralysis.

It is the world's greatest restorative for men, women and children. In pill form, sweets, a box, at all dealers, or F. Chase, Ltd., 100, Queen St. W., Toronto. Book free.
