Good Story of Edward Blake.

One day a near friend ventured to remained in port, regardless of been reduced. The mayor of the to have more of Sir John's bon has voluntarily cut off ten per cent. gentle and without vanity, as great off-hand, hearty fashion, and broke from his own salary although by express of law no reduction could be forced on him, and has directed that that amount be turned back every felt embarrassed. It was one thing month into the general fund. Altough the A. P. A. was against his other and wholly different thing to Prince Edward Islander, by way of e'ectior, the Honorable John Patrick
Hopkins is proving to be an exemplary head official for the chief city
in Illinois.

However, he conclusion, added a word of thanks
to the Ottawa friends who had thus
in Illinois. little jocoseness, a noticing of every-day affairs and not this constant

absorption in great matters.
"Well," said Mr. Blake patiently. "Well," replied his friend in d spair, looking about for a moral to adorn his tale of advice, and noting on some buried gold mine, excavated the fierce snow storm blowing further. Instead of finding more against the windows. 'For incoirs, the foundations of a church stance, as you go to the house this were discovered, which was built in afternoon you will be sure to meet the fourth century. It contained some one you know battling along two pavements of mosaic, one of in the storm on Parliament hill. which has Greek inscriptions set into it, and the other Latin. A thing to you about the enow fall, great many articles of value were brought to light, some of which asve been taken to the museum at and see how amused and pleased he

Mr. Blake laughed, repeated to himself "Phat's snow matter" two or three times, 'and his candid friend

which came up from the court of his old friend, Judge Moses Hampton, remarked that, "Surely Moses must have been wandering in the wilderness when he made his delision," and sent the case back to be lower court. Judge Hampton, tits second trial, took occasion to mark that, although he would be right, "in spite of the lamentary of Jerusiah."—The Green which wild is the lamentary of Jerusiah. "The Green which you are now laying down.

"As a slight token of their esteem they ask your acceptance of the accompanying testimonial, which, while it may serve to relieve the wilderness when he made his dediscomforts of a midwinter journey to your distant Jaland house, will also their testing the recollection of the many Ottawa friends, whose hearts will ever remain warm to you.

"To Mrs. Howlan they extend the remaining the collection of the many Ottawa friends, whose hearts will ever remain warm to you.

"To Mrs. Howlan they extend the statinment. They have called away some of the clever the writers our papers have had.

Reverence is due to the gifted laymen who have sacrificed their temporal interests in pursuit of a Providential vocation on the Catholic transport to your distant Jaland house, will also their second trial, took occasion to many Ottawa friends, whose hearts will ever remain warm to you.

"To Mrs. Howlan they extend the strainment. They have called away some of the olever comments which will do we had. Reverence is due to the gifted laymen who have sacrificed their temporal interests in pursuit of a Providential vocation on the Catholic transport. The friends highly also their esteem who have sacrificed their temporal interests in pursuit of a Providential vocation on the Catholic transport in the wild away some of the olive transport to allow their section. The grade is the clear transport to the providential vocation on the Catholic transport to the provident transport to the providential vocation on the Catholic transpor

and artists of both continents? The Cosmopolitan Magazine is endeavor-ing to answer this inquiry by printing a list from month to month and artists of Europe and America T. to interest its readers, and in proof

grown folk, to the laity as well as to the clergy, to the women as well as to the clergy, to the women as well as to the men of his motely clientele.

'Your many friends at the Capital cannot permit you to leave Ottawa without tendering you their sincere congratulations upon your well-deserved elevation to the highly responsible and honorable position of Lieutenant-Governor of Prince Edward Island.

'Ever since you came among them, over twenty years ago, they have watched your and the form of public opinion against have watched your agont the form of public opinion against when the form of public opinion against well as to the laity as well as to the clergy, to the women as well as to the clergy, to the women as well as to the clergy, to the women as well as to the clergy, to the women as well as to the clergy, to the women as well as to the clergy, to the women as well as to the clergy, to the women as well as to the clergy, to the women as well as to the clergy, to the women as well as to the men of his motely clientele.

The late P. V. Hickey, founder of the Catholic Review, had nearly all of these qualifications. But who else has? Excluding the half dozen prices that the sale of Hood's Savasparilla increases most rapidly in those sections where it is best know.

The inference is plain. Hood's Sarasparilla has proven that it possesses genuine merit. It maintains a high standard, which others cannot even approach. It is the people's favorite blood.

The Professor Scheffel, the Ger-your and the catholic cause in the form of public opinion against when the form of public opinion against the catholic press would be selected by the hierarchy as the catholic cause in the form of public opinion against the catholic press would be selected by the hierarchy as the catholic press would be selected by the hierarchy as the catholic press would be selected by the hierarchy as the catholic press would be selected by the hierarchy as the catholic press would be selected by the hierarchy as the catholic pressor.

The Profes "Ever since you came among thempion of the Catholic cause in the form of public opinion against the form of public opinion against such assailants as Huxley, Schaff and terest and with pleasure, and the Ingersoll? If such a knight were needed tomorrow for an intellectual tourney, would one of our editors be association is tempered by the reflection that were association as a short to an association that were association as a short to an association that were associated as a second to an association is tempered by the reflection that were associated as a second to an association that were associated as a second to an association is tempered by the selected? Would all of them do?

When Cardinal Manning was dying three years ago he spoke a few
words for posterity into a phonolayserved till last week by Cardinal
ProVaughan. A small company of distinguished persons, met then on the
invitation of the cardinal at the
archbishop's residence to listen to
this revival of a voice that is still.
The voice was very distinct and
clear. There were long paness between the words. The message was
the post in itself of great import harved.

"To ALL WHO MAY COME APTER ME: I hope that no word of mine,
