"I can cheerfully testify that Catarrhazone is simply a magical cure for colds," writes P. F. Clement, of Augusta. "For days last winter my head was completely filled up with cold. My eyes ran water, I sneezed and coughed constantly. I took many medicines. I was sick of the sight of them. Finally, I tried Catarrhazone. Its effect was magical. It soothed the inflamed membranes, stopped the sneezing and cured in no time. I never met anything to kill a cold like Catarrhazone."
