If your teeth are bad and need attention, you could not do better than call at our office and profit by the experience gained from 23 years' practice in Newfoundland. If gone beyond repair, it will be to your advantage to avail of the rooms equipped and furnished where you may have a doctor put you asleep and your teeth carefully removed. We believe that the convenience of our chloroform rooms to those who avail of them will repay for all the extra expense in maintaining them. Remember, there is no extra charge and that you will be attended by a lady.
