### Invitation to be Extended to U.S.A. to Attend Allied Conference

British Charge D'Affairs in Mexico As- until their demands are met. sails the Government---Veteran President of Labour Pleads the Workers' Cause---Amundsen's Projected Expedition Foiled by Demands of Airplane Manufacturers.

CNITED STATES TO BE INVITED. | stituted by the Government to-day in

the Federal Court at Chicago. Attor-LONDON, June 25. The United States will be invited ney General Stone asked an infuncto send a representative to the pro- tion to restrain the companies from posed Allied conference in London in further violation of the Sherman July in any capacity the United States Anti-Trust Act which will be charged Government thinks fit. The British Government is preparing the invitations. Japan will be included among the nations invited. It is hoped Premier Mussolini of Ltaly will be able to represent his nation in person at the Conference.

#### THE MEXICAN TROUBLE.

EL PASO, Tex., June 25. Mexican authorities by their conduct, have defeated all hope of Brit-drawn, and he was assisted too and ish recognition, H.A. Cunnard Cummins. British agent, who left Mexico City after having defied expulsion un- ded by a trained nurse and made fre der order of President Obregon, declared yesterday upon his arrival inexactitudes and exaggerations of the Mexican Government. The British agent was charged with sending discourteous notes to the Mexican Government and ordered deported. He was a prisoner within the legation from June 10th until June 19th, when President Obregon withdrew the de ment was made in London that arrangements for the withdrawal of Mr Cummins from Mexico had been

A special despatch to Aftenposten from Pisa, states that the aeroplanes for Ronald Amundsen's projected North Pole expedition has refused to deliver ready and tested machines until the balance of £14,000 on the purchase price is paid. If the explorer headquarters here, gives his impres is unable to raise the required sum-within 10 days the despatch states, Italy will organize a polar air expedition under the Italian flag, using as regards mail delivery and appear Amundsen's planes, as far as possible, and placing the leadership of the expedition well-at the leadership of the expedition well-at the expedition will be expedition. the expedition under Lieut. Locattelli, men out of work at Windsor, he who was to have been chief pilot of and a considerable number have exthe Norwegians air train, Amundsen, pressed their willingness to go on according to the despatches, was of- duty, but they are apparently frightfered the position of sub-commander, ened on account of the militant action but stated he would refuse to serve of the pickets posted by striking emin a subordinate capacity to Locattel ployees.
