Opening Ceremonies at Corner Brook

PRIME MINISTER MAKES PLEASING ANNOUNCE-

On another page of this issue ner Brook on Monday in connection with the official opening of Parsons. that I have not seen this the Newfoundland Power and to Mr. George Frampton, the great Paper Mills, and we trust to pub- sculptor. He little like what I did lish the balance of the article imagine him, being mighty broad of to-morrow. There are many mat- shoulder and clean shaven, yet do ters bearing on this momentous his hat has a round crown much like event in the industrial history of artists do affect. A mighty pleasant the Colony to which at a later gentleman and most interesting in date we hope to refer, but for discourse. He much interested in his the present we wish to call at- statue of "Peter Pan" that he erects tention to two only, which are that which he did sett up in Kensingreferred to in the speech de- ton Gardens, London. livered by the Prime Minister at the official dinner.

In a manner which could not be mistaken the Hon. Mr. Monroe expressed the hope that the positions in this great enterprise men highly skilled in the trade, her parents and teachers. we submit that every opportunity should be afforded, particularly by the educational authorities, to enable them evento believe that they are aware rell, of this city. of the justice of such views, and are willing to do everything pos-

sible towards that end. An announcement was made by the Prime Minister to the effect | a.m. that the three members of the p.m., yesterday. Highroads Commission, namely, Hons. S. Milley, W. J. Ellis and yesterday. Mr. D. M. Baird had intimated their desire to take no remunera- p.m. yesterday. tion for their services on the Board during the year.

Such a decision, animated by a high public spirit, is most commendable, and is an example to many others whose zeal for the terday, going North. public welfare must be stimulated by it. These gentlemen with 10.15 p.m. yesterday. the Chief Commissioner, Mr. T. A. Hall, have been unsparing of Attended Portugal themselves and have tackled with courage and enthusiasm the many difficult problems with which they have been faced since they first undertook their Party held at Portugal Cove yesterresponsible duties, and already and Mrs. White and the Hon. Mayor their labours are producing ex- Tasker Cook, cellent results in the roads which under the direction of Mr. Cochius are being extended a small portion of the high were advised this morning by the cords pit props. praise which is generally being expressed by the public regard-a saw mill owned by Mr. R.
