

**THE GUELPH POLICE COURT.**

Before T. W. Saunders, Esq., Police Magistrate.  
Tuesday 10th.—George Davis, a farmer residing on the Ferguson Road was charged by Rena Armstrong with an indecent assault. She was a servant in his house, and the family being gone to church on Sunday the 1st inst., she and defendant were left in the house by themselves, when she says, he committed the assault. Mr. Palmer appeared for the defendant and exerted his ingenuity to shake the girl's testimony, but without effect. There was no rebutting evidence, and his Worship imposed a fine of \$5 and costs.

**GOOD TIMES.**

Good times this Winter for Merchants and Blacksmiths, and those about to build. LOOK OUT for list of prices to be ready in a few days, which will astonish Hamilton and Toronto rivals.

**JOHN HORSMAN,**  
Hardware Merchant, Guelph.

FROM NEW BRUNSWICK.—Scarlet fever of a most malignant type has broken out among the French population near Shediac. A large number of children have died and consternation is general. Death generally takes place six hours after the first attack, and very few recover. The presentation to the champion oarsmen took place on Monday. Four handsome purses, each containing \$500, were handed to them with appropriate addresses. Snow fell on Sunday to a depth of three inches; to-day it is thawing and the river navigation still continues open.

A telegram from California states that the election of members of the Legislature in British Columbia took place on Thursday. The Confederation ticket was successful in every district heard from. The vote was unusually large, the franchise having been extended to foreigners of three months' residence. The feeling in favor of confederation must have been strong, when even with a foreign vote the principle was sanctioned.

Notwithstanding the reported defeat of "General" O'Neil to the tune of, as reported, \$250,000, the "brotherhood" is to hold a general congress in Philadelphia, on Nov. 24th. It is boasted that it will be the largest and most important meeting of Irishmen ever convened together. Over one thousand delegates are expected to be present; California, Canada, Ireland, England, Scotland, Australia and South America, will have its delegation. The delegates from South America must have a keen interest in the matter.

The Grecian arrived in Montreal on Friday. The damage suffered will be covered by \$1,200. She is not to be put upon the route again this season.

Have you pain of any sort, slight or severe, no matter from what cause, or where located, whether in the head, face, eyes, ears, teeth, throat, neck, shoulders, arms, hands, chest, legs, heart, stomach, the bowels, side, back, hips, thighs, knees, ankles, or feet? Use Brigg's Aillevator, internally and externally, and it will cure the most intense torture and pain that is curable. If you have wounds, sores, bruises, scalds, burns, skin eruptions, pimples, blotches, ring-worms, tetter, itches, tumors, or any ailment of a similar nature? Use Brigg's Aillevator, and all such unwell ailments will depart, leaving you with health unimpaired, for which you will be ever grateful, and recommend Brigg's Aillevator to your friends who suffer.

**THE GOLDEN LION**

IT IS certainly marvellous that any community should be so excited over the great success that has attended the efforts of MR. HOGG to obtain in the first Manufacturing Districts of the World the very excellent, novel and substantial fabrics in all of the various classes of

**Fancy and Staple Dry Goods & Millinery,**

Shawls, Bonnets and Mantles,

**READY-MADE CLOTHING,**  
Buffalo Skins, Grain Bags, &c.

Indeed everything in the Mercantile line usually kept in a first-class establishment. That MR. HOGG'S efforts have been crowned with unprecedented success is beyond a doubt. The great Bargains that he is daily giving causes his immense establishment to be crowded from early morning until night. His stock to select from is so large and varied that parties get suited without loss of time, let their taste be ever so difficult; and in addition, by being able to import all of his goods direct from the Manufacturers, to offer a saving of 12 1/2 per cent (12 1/2 cents on every dollar), over any establishment in Town.

All classes and descriptions of Clothing made to order by a first-class cutter, and sent free of charge to any part of Canada.
