Pie-Hungry Laborers Held in C.P.R. Yards HELPED TO ELECT

Because there was no pie in a box of provisions supplied a tourist carload of laborers en route west over the C. P. R. last night it was necessary to sidetrack the consignment of human freight in the Calgary yards, and place it inder guard until three o'clock this morning, while two other carloads of laborers and harvest hands sped westward to the various dis-

tributing centres. Before the train reached Cal-. gary the men lodged a complaint that they must have supper or or they would desert in a body. When the train pulled up at 6.45 the agent in charge despatched a man uptown to secure a box of provisions. When he returned the hungry men made a careful inspection of the menu and set up a roar.

There was not even one big juicy apple pie on the bill of fare! Those of a fastidious palate were quitting the outfit at once, but Calgary pie-even at 10 cents pera strategic role. They told o 48 men in Calgary would require a bank roll the size of a C. P. R. bond
