## Nervous Breakdown

Can be Averted by Feeding the Starved Nerves with Rich Red Blood.

Nourish your nerves—that is the only way you can overcome life's worst misery, nervous exhaustion. The fits of depression and irritation the prostrating headaches, the weakness and trembling of the legs, the unsteady hand and the imperfect digestion that mark the victim of nerve weakness, must end in nervous breakdown if neglected.

Nourish your nerves by the natural process of filling your veins with rich, health-giving blood. Your nerves are crying out for pure blood and the mission of Dr. Williams' Pink Pills is to make new, rich blood. This explains why these pills have proved successful in so many cases of nervous disease that did not yield to ordinary treatment. For example, Mr. Wilfrid Donald, West Flamboro, Ont., says:—"Before I began the use of Dr. Williams' Pink Pills I was in a serious condition. I was not only badly run down but my nerves seemed to be completely shattered. I slept badly at night, and when I got up in the morning was as tired as when I went to bed. I seemed to be on the verge of a nervous breakdown. At this stage I began the use of Dr. Williams' Pink Pills. In the course of a few weeks I felt much relief, and continuing the use of the pills they completely restored my health. I can now sleep soundly, eat well, and am enjoying complete freedom from the old nervous troubles."

You can get Dr. Williams' Pink Pills through any dealer in medicine, or by mail at 70 cents a box or six boxes for \$2.50 from the Dr. Williams' Medicine Co., Brockville, Ont.

## FARMERS!

Every Building on Your Farm Needs Good Paint.

Paint protects. Paint wards off rot and decay. Paint is a property improvement that increases the value of your whole place. Paint is an investment that pays a big profit in prosperous appearance and long life to the buildings.

**MARTIN-SENOUR**  
"100% PURE" PAINT  
(Made in Canada)

is saving the farmers of Canada hundreds of thousands of dollars by protecting their homes and barns from wear and weather. This pure, reliable paint spreads easily and is the cheapest in the end, because it covers 900 square feet of surface per gallon and lasts far longer than the cheap prepared paint or hand-mixed lead and oil.

Ask for "Farmer's Color Set" and "Town and Country Homes". Just what you'll need in planning your painting.
