EAST MIDDLESEX.

George Taylor, the Independent Cand dale, in London West. dealer: Under

Albert Hall, London West, was him well filled last evening with Mayor Taylor supporters. Mr. Matthew Kershav on cupied the chair and in a few words into duced the speaker of the evening.

Mayor Taylor was received with a plause, and in opening referred to his candidature. He had always been a Caservative, but considered the pressal at mour shop, and in opening referred to his candidature. He had always been a Caservative, but considered the pressal at mindependent man, prepared to see for what was right and not on mere partyline. Since they must certainly be prepared to offer a little more than this if free train relations were to be secured. It would doubtless be to the interests of the country to obtain this, and while he would not feel like discriminating against Great Britain. The granting of \$400,000 as a settlement of the alleged claims made in the Jesuits Estates Bill, he considered an act of in justice to the Dominion; the amount could have been obtained in no other country. He did not wish to stir up any feeling against his Roman Catholic fellow-dizens; they had the same rights and privileges as others, but no more. The present whole sale system of railway bonusing by the Dominion Government had been carried too far, althlough Ontario had not shared in the same proportion as others. (Applause,) It was unjust in view of this that the Irovine should be asked to washed to respect to the prominers.

I conside we been the case, red that when it colm Macdonald would his old friends to bolicy I left his party, abinet would do—pre ave done. That is, to maken away the advantage low tariffs gave, with the tage of the complete of the comp

B auch for the past. are confronted with provide are confronted with appears to me that the Diment are well aware of what case, that the McK flict on this country great the resulting dissatisfact ended in their defeat had the usual time of dissol

the usual time of dissol certainly then, take this this bill will cause much l are called "hard times" i questions then are: "Ho avoided? Will the part likely to succeed in avoidi plan do they propose to at Principally they allege t tions with the States to ob the reciprocity treats." the reciprocity treaty "wi tions required by the alter-of both countries." What tions are we are not told or yet in that lies the whole such a treaty. Surely, it such a treaty. Surely, it ordinary proceeding to do ment in order to get the in people to they do not know is asked, in fact, to Macdonald a blank cloredulity. The alleged solving Parliament is ar for continuing it. Canada asked to indorse by the element a treaty when she ment a treaty when she treaty proposed. But here what is proposed at all,

what is proposed at all, trust them.

The Americans will no anything to Sir John Maed ment. To give my reaso thus I must open up anothe subject. Americans, who most sensitive of nation censure, are well aware the led by Sir John Maedo Canada has been apparent hostile and contemptuous f hostile and contemptuous f themselves. I cannot tell t themselves. I cannot tell t always seemed to me a m course, but all know th mouthpieces, the newspaper party, have for years ender fest an attitude towards the which, if not altogether in reared anything but friend! American leaders are well American leaders are well things will result therefore. form party will have a far b make good terms with the the Conservatives. Next, t more likely to keep up tha

more likely to keep up that ing, which alone can perpett Next, with regard to di favor of the States. Let us truth. The States neithe grant reciprocity in manufa ada unless Canada makes he the rest of the world as high States, for doing otherwise them wantfactures of the States, for doing otherwise obeap manufactures of the the States through the back ada. Yet they will grant out manufactures be includenting our goods in free, the in our favor, they require the shall discriminate in their others, England Included.

Macdonald declares he will done be one of the treaty will be the state of the sta

gwore he can get no treaty with the Next, I consider it would by Britain, but great good, if C trade with the States, though ime we heightened our ritain. For since 1861 the Shot ain, yet their volume ain is far greater, or hous increase in populat in the same way, under the comment, there is every at Canada would she tain would do, even in the contrade far greater and the stain would do, even in the contrade far greater and th

His Stort tade far greater an hus than she ever till do. But this, I by the Reform par.

WELL M. work well with the papear to me the
