# LIST OF DEAD IS INCREASED

# Wreck Now Number 65. -- Unknown Dead.

Cornellsville. Pa., Dec. 26 .- Another name has been added to the long death list resulting from the Duquesne limited wreck on the Baltimore and Ohio at Dawson on Wednesday night. Harry Devlin, one of the three remaining patients at the Cottage State Hospital, died at 10 o'clock yesterday. The total dead now numbers 65, and this probably completes the list, as the two still at the hospital are doing well and will probably recover. Devlin's home was at Lonaconing, Md.

Special services for the dead were held in all the Protestant churches of the coke regions yesterday, and after the burial of Father Fienello, which will take place today, the Catholic churches will hold masses for the dead, The bodies of about 30 of the victims were taken away on early trains. Those remaining identified will be shipped within the next 24 hours, and the unknown will be cared for by the borough council. / A special meeting has been called to form a relief committee to look after bodies unidentified or unclaimed. In case no friends appear the citizens will see that the victims are not buried in the Potter's Feld. PITIFUL CASE.

New York, Dec. 26.-Lillian Bennet. who was to have met here and married Ambrose Good, of Newcastle, Pa., who Jost his life in the railroad wreck at Cornellsville, Pa., Wednesday, arrived yesterday on the steamer Cedric fom Liverpool, and was informed at quarantine of her lover's death. Miss Bennet, who has been worrying because the delay of a day in the vessel's arrival would cause a postponement of stricken over the news. As she came gave a Christmas tree to the day nur-over in the steerage and has neither sery of that place. The tree was laden nor relatives here to take charge of her she must under the law the waifs of the town by a Mrs. Santa be returned to England.

# WEST GETS A BLIZZARD

### Illinot, and Missourl Visited by Very Cola Weather.

Chicago, Dec. 26.-A severe snowstorm, fellowed by a cold wave, visited Chicago last night. At 10 o'clock at night the mercury stood at 4° telow, with the premise from the weather office of 100 be nearly \$3,000,000. below by daylight. The cold is scheduled to continue through tomorrow, with a high wind,

St. Louis, Mo., and vicinity. In the afternoon a fall of 31° in temperature occurred in four hours. This was accompanied by a high wind, that gained a velocity of 40 miles an hour, doing considerable damage in completed \$1,000,000 Buckingham Hotel were blown down, causing damage estimated at \$75,000. The building had been leased for the World's Fair period by the Buckingham Club, but the contractor says this accident will not interfere with its completion on time. On the World's Fair grounds considerable damage resulted from the wind, which blew down scaffolds and wrecked some temporary

Chicago, Dec. 26.-All the children of Doweites will be excluded from the publie schools of Chicago on Jan. 4, by order of the health department. The general overseer of Zion says Dowie has made his followers believe that vaccination does not prevent smallpox. The health department has decided that all children shall be vaccinated or debarred from the public schools.

# Russia Disappointed.

London, Dec. 26 .- A Russian correspondent of the Times quotes the Harbinsky Vestnik as saying the expectation that the opening of railway communication with the shores of the Pacific would be a signal for a great expansion of Russian exports, has not panned out. "Unfortunately, it is impossible to say that the opening of the largest railway line in the world has evoked a corresponding movement in Russian industrials. Manchuria is still being supplied to a most important extent with British, American and German goods. Even now, in most cases it is British, American and German agents who travel in Manchuria."

Pool in Petroleum. Berlin, Dec. 25 .- The Frankfurter Zeitung says that an international petroleum pool has been arranged between the United States, Austrian and Russian interests The arrangements embrace a plan for increasing the export of Galician oil to

Siberian Insubordination. London, Dec. 26.-A Russian correspon-London, Dec. 26.—A Russian correspondent of the Times says Siberia is not exempt from the spirit of insubordination manifest in other parts of Russia. Exiles as well as the general population are organizing for resistance to the authorities. The number of escapes is increasing, helping hands being extended on all sides. The jailers, troops and police are sometimes purposely careless in the execution of their duties.
