WEDDED AT GUELPH

Marriage of Mr. John Benfield, of

the G. T. R. Dispatchers Office.

At Guelph on Wednesday evening, Mr. John Benfield, G. T. R. dispatcher, of this city, and formerly of Guelph, was married to Miss Mary Locky, at the residence of Mr. and Mrs. Philip Grant. The ceremony, says the Guelph Herald, "was performed by Rev. Thomas Eakin, M. A., pastor of St. Andrew's Church, with which the bride had been connected the greater part of her life. Those present included only the relatives of the contracting parties, and a few intimate friends. The bride, who was unattended, wore a handsome gown of palest pink silk, beaded with white chiffon trimmings, and carried a bouquet of bridal roses and lilies of the valley. During the ceremony the happy couple occupied a position under a canopy of lace, and before a bank of palms and ferns. Mr. and Mrs. Benfield left via the 8:20 o'clock G. T. R. train for western points, and on their return will reside at 141 Central avenue, London. The bride's going-away dress was of navy taffeta, with hat to match. The bride is one of Guelph's most popular young ladies, and holds the esteem of a large circle of friends. She was connected for several years with the Bell Telephone Company, and has lived in Guelph all her life. The large array of beautiful presents, which she received, were but an evidence of her high standing. The office of the Bell Telephone Company presented her with a handsome silver service, and the King's Daughters, of which she was an active member, gave an attractive oil painting. The groom was a resident of Guelph several years ago, and is well known here. Mr. and Mrs. Benfield will carry with them the best wishes of their many friends for a long and happy wedded life."

QUALITY STORE.

THERE is much that is dainty and appetizing for the summer table in this store—much that requires a minimum of labor in preparation, and for one who must work in the kitchen this diminishing of labor in hot weather is a consideration.

We have made a little list of the good things in this grocery store that must appeal to the summer house-keeper. Everything is of first quality, of course—everything is lowest priced.

Sardines—

Straight from the store to your table, with perhaps a time in the refrigerator between. A delicacy all the year round. Sardines are especially nice in summer. The best varieties in the world come here.

Luncheon Cheese

Even those who don't care for Cheese are fond of this dainty variety. 10¢ and 25¢ jars.

Rice and Milk—

Cold-boiled Rice, with milk or cream, is one of the most nourishing, as well as one of the most agreeable of summer dishes. The rice here is the clear, pearly quality. It grows in the Carolinas, and has taken the place of Chinese rice.

Canned Meats—

They save much of the trouble of cooking, and there is a wide variety here for choice. Baked, pot-roasted and deviled meats from 5¢ to 40¢ per tin. They should be well cooled off before serving.

Canned Soups—

Our Soups are of the best class, and rapidly growing in favor. During the hot weather a delicious dish may be made of cold consommé by adding a trifle of gelatin, and allowing it to remain in the refrigerator for a time.

Lime Juice—

A pleasant, healthful, home-made drink is that of Lime Juice. Physicians recommend it for medicinal purposes. Rowe's has the highest reputation of any known. It is very moderately priced at 25¢ per bottle.

A MISTAKE WAS MADE—PAVEMENT

WILL COST FIVE HUNDRED MORE

Contract for Asphalt Block Roadway on Wellington Street is Re-let.

As the result of a mistake made by one of the tenders, the property owners of Wellington street, between Dundas and York streets, have been notified that the contract for the new pavement on King street west at \$33, but the tender of King street bridge was not let, as the tender was considered too high. The only offer received for the work was \$38,000.

Shadrach Gale, of South street, appeared before the committee and complained that he had dug down to the sewer on that street to make connection with a drain from his house, but that though a connection was shown on the plan of the sewer, there was no connecting pipe there. It had cost him \$5 for digging, and this money was lost.

The committee felt that the city was to blame in the matter, in that the city's inspector had allowed the contractor to put in the sewer without a permit, and it was agreed to allow Mr. Gale \$10, to make up for the money he lost and to pay for extra life line work on that street.

The city will also put in a connecting pipe at its own expense.

The following is a partial list of the delegates present at the afternoon session: Messrs. H. McColl, Strathroy; A. H. McCormick, Pelee Island; R. Gibson, Bowditch; H. S. Moore, Norwich; E. Richards, Melbourne; L. W. Laidman, St. Jacobs; J. Elston, Longton; W. J. Zenger, Newton; G. Finkle, Woodstock; T. Farrow, Brunsell; D. F. Buchanan, London Junction; Robt. Paxton, Ottaville; James McKenzie, Union; J. Scott, Clinton; J. Laschinger, New Hamburg, and a number of others.

HAS TAKEN CHARGE

New Parish Priest of Stratford Takes Up His Work.

Father McGee was born at Castle Comor, Kilkenny, and is in his 46th year. He was educated at Carlow College, and was ordained on May 19, 1882. He came immediately to London, and was sent to Stratford for six weeks while the local priest was in retreat. Returning to London he acted as curate from October till the following June, at St. Peter's Cathedral. He then returned to Stratford and was curate there for two years, under the late Dean Kilroy. He left there in April, 1886, for Cornua, Lambton County, to be parish priest, where he spent two years and three months. While there he built the new St. Charles' Church, at Courtright. From Cornua he was moved to St. Augustine's, Huron County, where he spent four years, and then to Maidstone Cross, where he has been for the past twelve years. While in London along with the bishop, Father McGee visited Rev. Father Tobin at St. Joseph's Hospital, who is improving greatly in health.

HAVE ORGANIZED

AN ASSOCIATION

Western Ontario Postmasters Take Important Step—Officers Elected.

At yesterday afternoon's session of the convention of the postmasters of Western Ontario, which is being held in Sherwood Hall, Mr. Ira Stratton, secretary of the Manitoba and Northwest Postmasters' Association, gave a detailed history of the formation of the western organization, and also of what had been accomplished since its inception. One of the first objects of the association was the formation of the Postmaster-General's office, setting forth the difficulties under which the postmasters do their work, and the insufficiency of the remuneration. He pointed out the concessions that have been granted since that time, and argued that this was the result of the organization, and the presentation of the case, but that the present scale of allowances was still inadequate. He also claimed, the increase granted last year were practically eaten up by increases in cost of living and labor for help, since that time.

Speaking for the postmasters in the west, Mr. Stratton said that they were grateful for what had been done
