THE MUTUAL LIFE AND THE TRUSTS

Pres. McCurdy Says They Were Prosperous After Connection With the Mutual.

New York, Oct. 19.-Closing one of the most sensational weeks of the insurance investigation, the committee just before the adjournment today conluded the examination of President McCurdy with the exception of a few details he is to supply next week. Mr. McCurdy has been on the stand the greater part of the three days of this week's session and some of his testimony has been most startling. When he resumed the stand today he took up his testimony as to the Mutual Life's connection with trust companies that was interrupted by adcurnment yesterday.
Mr. McCurdy disclosed the fact that trust companies with which the

Mutual Life was connected became presperous soon after they were taken Two cases in point were the Morristown Trust Company at Morristown, N. J., where the McCurdy family lived, and the United States Mortgage and

Trust Company. The former is now controlled by the Mutual Life and Mr. McCurdy testifled that besides being a director of Minister of Railways Says It this trust company, he is a large stockholder and would take more stock if

he could get it. The Mutual Life keeps a balance of not less than \$200,000 with his com-pany, on which it draws from 2 to per cent. The latter rate has been paid only since Sept. 1. He did not know the holdings of the merson, minister of railways and

company. In the syndicate operations Mr. Mc-Curdy said he participated not with Railway. the idea of drawing bonds, but to ob- He declared that when Parliament tain his share of the commission al- meets he will have ready a complete lowed by bankers. THE FALLING BIRTHRATE results. The Bishop of London Deplores This Diminution With Alarm.

London, Oct. 19.—The falling birth rate was the subject of interesting comment by the Bishop of London, Dr. Ingram, in an address to the clergy of his diocese in St. Paul's Cathedral today. He warned his hearers of the danger of It was impossible, the Bishop said, to describe with what dismay he viewed this diminution of the birth rate, not only in England, but in the colonies It appeared to him to be an artificial carbolic acid during the night, and this ition by artificial means.

largely responsible for this, and the clergy must learn themselves and teach others to live the simpler and heartler life which their forefathers lived. Britain Watching the Baltic.
