Contest Won via the Shutout Route, While the Local Aggregation Played Craven's Crew Off Their Feet in the Second Game.

General Midge Craven, the diminutive leader of the Saints and his band of fighting Uhlans, stacked up against Doc. Reisling's warriors over in Tecumseh park yesterday afternoon. When the smoke of two battles had cleared away the invaders retreated from the scene of their defeats. London won the first scrap, 3 to 0. Peace commissioner Freeman called the second, when the points were 9 to 1, in favor of the local aggregation.

Won in First Round. Our boys being peeved over the long fielay in starting the game, set out to have a victory in the shortest possible time. Linneborn led off with a safe hit past second base. Louis Bierbauer sent up a pop foul to Nevitt, and was out. Whiteraft was safe on a single rapidly rounding into shape. Glad exto left. Lamy walked. They Won for "Cuz." The locals played the invaders off their feet in the second clash, and piled up enough runs to win at least a halfdozen games that Cuz Hammond has lost this season by one or two runs.

St. Thomas drew first blood in their ciation. half of the second round. Inker went out to Bierbauer. Gillespie banged one out past Lamy for two sacks. Chief Nevitt followed with one that looked good for as many bases, but Reidy tore after it, making a great one-handed catch.

Tecumps Commenced Here. Reidy started the fireworks in the second when he hit safe to left. Neale followed suit by placing one in front of the plate, as did Mullin. Dunn was safe on a fielder's choice, while Reidy was caught at the plate. Hughey wound up, and the pill shot towards Nevitt. It was low, and the Chief in his efforts to smother it, became excited. The ball rolled to the stand. Neale and Mullin Hammond sacrificed to centre, Mullin scoring. Linneborn was the third out.

The Awful Session. The best thing Umpire Freeman did

during the afternoon was to call the second contest in the sixth inning. He later remarked that he was forced to take compassion on the Craven crew after the way they were kicked, cuffed and abused in general by the Tecumps in the fourth session. Cy Reidy started the trouble in this inning when Hughey, Hammond whiffed the ing on a boot. Hammond whiffed the air thrice. Linny was safe on a base Neale was safe at home.

In the fifth and sixth innings the had Jack White not interfered. Saints went out one, two, three, not once proving the least bit dangerous.
