To you-if you are sick-if you suffer-if you are afflicted with any ailments of MEN-if you are worn out, tired or failing, if you need medical advice—if you are not in perfect health—if life is a dragging, miserable existence—if you lack energy, vim and vigor that make life worth living, to you-rich or poor-young or old-you need my treatment

Nerves and Blood Are Life
The lack of nerve force is found
among men of all ages. This is
true with men in ail walks of
life, from the day laborer to the
mechanic or professional man.
Merchant and clergy are alike
sufferers—no man is exempt
from the ailment who has rebelled against nature's laws—
so if you have the result of
overwork, dissipation, sedentary
habits or worry, and your vital
organs are disturbed, remember,
delay in seeing the right doctor
makes it more difficult to overcome the symptoms, and you
might reach an incurable condition beyond relief if you delay
too long. Nerves and Blood Are Life

#### YOUNG MEN - THINK OF YOUR FUTURE

How about it, are you qualified to face it—are others doing more and getting more out of life than you are? Find out, if you don't know already, what is dragging you down. No one can violate nature's laws and succeed. I have helped thousands physically, mentally, morally. I believe I (as I have thousands of other men), can help you. Just be frank and tell us your troubles. Let me help you to regain and maintain your health.

Constitute a large part of my practice. At this time of life a most important physicological change takes place and men feel the need of an experienced doctor for men to not only treat them at this critical period but as well to advise them as to what to do and what to avoid to regain health, strong nerves and a sound body once more.

Paddy Jones says: "Charley Conkle nanager of Bobby Ebber, the Cana-lian bantamweight boxing champion told me today that he has just about given up hope of piloting his boy to the world's championship. Ebber's Freelton training camp has been broken up. Ebber is out of training—and has passed up a chance of a lifetime to get a hatful of money as well as a crack at the title now held by Abe Goldstein, the New York

with Ebber, but he doesn't expect it with Edder, but he doesn't expect it to be very profitable for either himself or Bobby.

"He has been promising for some time now to get started on the road to condition again," said Conkle today, "but he hasn't yet made a move. I don't look for him to get busy in time to take on the bouts that I have lined up. I really thought he was on the right road a few months ago, but he hasn't come through as I expected. It looks to me as if the boxing fans of Hamilton will have to forget all about him."

Conkle had bouts arranged for Bobby that would have netted him \$17,000. He was to have met Howard Mayberry, Carl Tremaine and Kid Roy in Toronto, Vic Foley, the western bantam champion, in Edmonton or Vancouver, and, best of all, Abe Goldstein, world's champion, in Boyle's Thirty Acres, Jersey City, on Sept. 18.

Bobby's "end" was to have been be very profitable for either him-

Molly 0's, the Thistles, Jackies, Red Arrows, Gorman & Eckerts and other contenders would be brought together. Tentative arrangements have been made to hold the tournament on the afternoon of Wednesday, August 20, and to provide trophies and prizes that will be attractive.

But the feature of the tournament will unquestionably be the fact that the winner will be selected to bear London's honors in the clash against Cleveland. Despite the disparity of the score on Civic Holiday, the Brownies had the Cleveland girls on the run in the last three innings before rain ended the struggle, and had the battle gone to its normal limit it was not improbable that the Brownies would have taken the scalps of the Knits away with them. The first proposal was that London should select a team of all-stars to face the Clevelanders, but this would necessitate intensive training between the date of the selection and the international match in order that the players might learn a set of signals and become a smooth-working machine.
