on "What to Eat To Be Big and Strong" at a mass meeting in the Sunday school hall of Dundas Center Methodist Church on Sunday afternoon. Dr. Hill told the boys to eat lots of meat. He said that all kinds of meat, poultry, fish and eggs contained the best proteins for growing boys. He advised them to leave tea and they drink water.

"We generally eat too seldom and too much at a time," he said. In concluding he told the boys how to find out if they were underweight, explaining that their weight should be governed by their age and height. He advised all the boys to be immediately measured by Dave Allan, physical director at the Y. M. C. A., and secured their promises to do so, and follow out diets which he will prescribe for individual cases of underweight. The boys enthusiastically appreciated the address.

DRURY EXPECTED TO EXPLAIN PLAN

Likely to Speak in Legislature on "Broadening Out"

TAKES FLOOR TO-MORROW
Many Replies to Questions Probable This Week

TORONTO, Jan. 30.—(Canadian Press Dispatch)—Premier Drury on Tuesday will take up the debate in the Legislature on the address in reply to the speech from the throne. A pronouncement from the premier on the "broadening out" policy of the Ontario Government is anticipated as an answer to sarcasm indulged in by Hon. Howard Ferguson, Conservative leader, and H. H. Dewar, K.C., Liberal leader, last Thursday at the expense of the leader of the Government. Mr. Drury took copious notes while the leaders of the two old line parties were speaking, and it is assumed that he will make a statement defining the Government's position.

Answers to inquiries made by private members will be made on Tuesday. Probably the most interesting of the inquiries relates to the enforcement of the Ontario Temperance Act, about which two members have asked questions. Among the questions are the following: The appointment, remuneration and present relations with the Government of Rev. J. O. L. Spracklin, who was a special license inspector on the Essex border and who while acting in that capacity, shot Beverly Trumble, a Sandwich hotelkeeper. A number of inquiries as to Government appointments are to be answered sooner or later.

MACSWINEY'S CHAPLAIN IS SENTENCED TO JAIL

Father Dominic Given Five-Year Term, of Which Two Years Are Remitted

LONDON, Jan. 30.—Father Dominic, chaplain of the "Republican Guards" and spiritual adviser to the late Terence MacSwiney, lord mayor of Cork, convicted by a Dublin court martial in January, has been sentenced to five years' imprisonment, of which two years are remitted. Father Dominic was arrested in December when two monasteries were raided by the military and police in Dublin. The charges against him were based on certain passages in a note book and a letter, alleged to have been written by him or to have been in his possession. He maintained that the passages in the note book were dictated to him by Lord Mayor MacSwiney in Brixton prison. In the presence of the prison authorities, for transmission to MacSwiney's friends, and that the letter was a private communication to a friend in England. The letter made reference to "black and tan" reprisals and the Cork Park shooting, which, it was declared, was ordered by Gen. Maxwell, military commander for Ireland, and Gen. Tudor, commander of the "black and tans," or auxiliary forces. It was also declared that it had been decided to assassinate Lord Mayor O'Neill, of Dublin. A memorandum, alleged to have been found in Father Dominic's room at the Capuchin Friary in Dublin was headed, "Ireland, an Invaded Nation," and began: "All the inhabitants of every nation unjustly invaded are bound to resist the invader. Throughout MacSwiney's hunger strike, Father Dominic was ever at his side. He was present at the bedside when MacSwiney died.

WANT ONLY NORTHERN MEN ON T. & N. O. BOARD

NEW LISKEARD, Ont., Jan. 29.—The local Board of Trade, in a telegram sent to Premier Drury, signed by Wesley McKnight, president, "positively protest" against the appointment of any but Northern Ontario men to the vacant positions on the T. & N. Martin, Renfrew, were being considered for the board, and the premier is requested to take no action in the matter until receipt of written communication from us.

PRESENTATION TO FATHER HANLON

Purse of Gold and Address to Retiring Rector

Rev. Father J. A. Hanlon, pastor of St. Michael's Church, who leaves the city on Friday to take over the pastorate of St. Joseph's Church, Stratford, was presented with a purse and an illuminated address by his parishioners at the high mass on Sunday morning. J. F. Sullivan, inspector of separate schools, and J. B. O'Reilly, of Thornedale, made the presentation. The address eulogized Father Hanlon for his many years of devoted service, expressing feelingly the love and affection felt by the parishioners for him.

Following the presentation, Father Hanlon delivered his farewell address, thanking the members for their expression of esteem in few suitable words.

BISHOP'S TRIBUTE.

Bishop Fallon, who occupied the pulpit at the evening benediction service, also paid a high tribute to Father Hanlon's work in the parish and said that the promotion was his reward. Father Hanlon was the first pastor of St. Michael's Church, appointed when the parish was formed in 1874. His new charge in Stratford is a larger parish, having 500 families, and two assistants holding the offices of deacon and subdeacon. Rev. Father E. L. Tierney, a former Londoner, who is pastor of the Catholic church at Mount Carmel, will take the pastorate of St. Michael's Church. Bishop M. P. Fallon at the evening benediction service spoke on "Church Unity." He reported that the Roman Catholic Church alone lays claim to unity as "one." In declaring that there cannot be two true churches, Bishop Fallon dwelt on the fact that the Roman Catholic Church is the true church which God established on this earth, from His own words: "Upon this rock I shall build My church." The bishop laid particular stress on the fact that God was truly represented on this earth, from His own words: "I am the visible head, the vicar of Christ on earth," he said. He made glowing reference to the pontifical court at Rome, asserting that it is the finest court in Europe. "That is where justice reigns, in the court of Peter's successor," he added.

LONDON FORMER SAILOR VISITS OLD SHIPMATE

BUFFALO, N. Y., Jan. 29.—Andrew Higgins, veteran sailor of London, Ont., but who has retired from the lakes and now lives on a small farm near London, was a visitor in Buffalo on Thursday. Higgins is one of the survivors of the steamer Brooklyn, of the Northern Transportation Line, which was wrecked through a boiler explosion in 1874. Higgins in telling of the disaster here to-day, displayed a badly twisted right arm, the result of injuries received by him at the time. Fifty passengers and eight of the crew of 21 were killed and several injured in that explosion, which occurred near Fighting Island, 16 miles below Detroit, on October 22, 1874. Higgins had a considerable chat with Bob's Slattery, who was shipmate of the Londoner on the schooner Moonlight, under the late Capt. Dennis Sullivan many years ago.
