TO INTRODUCE IT.**

New Discovery by Accident

HAIR ON THE NECK, FACE, ARMS OR ANY PART OF THE PERSON

quickly dissolved and permanently removed with QUEEN'S ANTI-HAIRINE, the new and wonderful discovery. Discovered by accident, while compounding a solution, a part was accidentally spilled on the hand and the hair was dissolved and removed. It is perfectly harmless and so simple any child can use it. Lay the hair over and apply for a few minutes, and the hair disappears as if by magic. No scientific discovery ever attained such wonderful results. Thousands who have been annoyed with hair on their FACE, NECK and ARMS attest its merits. It cannot fail. If the growth be light, one application will remove it permanently. If the growth be heavy, such as the beard or hair on moles may require one or more applications. It does not destroy, although it dissolves the hair, and it does not injure the skin. You may use it as often as you desire. It is perfectly safe. You may use it. Harmless as water. Price of Queens' Anti-Hairine \$1. per bottle, sent in safety mailing boxes postage paid by us, (securely sealed from observation). Send money or stamps by letter with full address written plainly. Correspondence strictly confidential. This advertisement is sent straight forward in every word it contains. We invite you to deal with us and our goods as represented. Address Queens' Chemical Co., 44 South 4th St., Cincinnati, Ohio. You can receive your return money at once. We will pay \$5.00 for every SPECIAL OFFER. To ladies who will introduce and sell among their friends 25 Bottles of Queen's Anti-Hairine we will present with a **SILK DRESS**.
