GUMMED PAPER—WHAT A COLLECTOR SAYS.

The perforated hinge is a fraud, and the rouletted hinge is a snare.

"The writer, after an active experience in the stamp line for over twenty years, can state confidently that Mekeel's gummed paper is the acme of perfection, and able to satisfy the tastes of the most fastidious."--CANADENSIS in *Mekeel's Weekly Stamp News*.

Collectors, as a rule, favor the perforated gummed hinge until they have used it; afterwards they discover its disadvantages, and prefer to cut their own, suited to the size of the stamp. Our gummed paper is made purposely for us, and consists of the best linen, onion-skin paper, and gummed with the pure gum Arabic, which does not discolor the stamp. Collectors should always receive their supply from us. Prices as follows, post free: 4 sheets, 10c.; 10 sheets, 25c.; 25 sheets, 50c.; 60 sheets, \$1; 100 sheets, \$1.50.
