"Calvert, Texas,  
 May 3, 1882.

"I wish to express my appreciation of the valuable qualities of

**Ayer's Cherry Pectoral**

as a cough remedy.  
 "While with Churchill's army, just before the battle of Vicksburg, I contracted a severe cold, which terminated in a dangerous cough. I found no relief till on our march we came to a country store, where, on asking for some remedy, I was urged to try Ayer's Cherry Pectoral.  
 "I did so, and was rapidly cured. Since then I have kept the PECTORAL constantly by me, for family use, and I have found it to be an invaluable remedy for throat and lung diseases.  
 J. W. WHITLEY."

Thousands of testimonials certify to the prompt cure of all bronchial and lung affections, by the use of AYER'S CHERRY PECTORAL. Being very palatable, the youngest children take it readily.

 I have made analysis of samples of the Emulsion of Cod Liver Oil, prepared by the Putnam Emulsion Co., and they have explained to me the details of their process. The ingredients used, and the mechanical processes to which they are successively subjected, enable this Company to prepare a permanent Emulsion, without the use of acids or alkalis. This preparation has been known to me for many years, and when carefully prepared is certainly a great improvement upon the Crude Cod Liver Oil, not only being milder in flavour, but having the more substantial advantage of being in the best form for digestion and assimilation.
