Is better than any soap; handier, finer, more effective, more of it, more for the money, and in the form of a powder, for your convenience. Takes, as it were, the fabric in one hand, the dirt in the other, and lays them apart—comparatively speaking, washing with little work.

As it saves the worst of the work, so it saves the worst of the wear, making the use of clothes that makes them last longer, it saves rubbing and straining, getting the fabric by main strength.

For scrubbing, house-cleaning, washing dishes, windows and glassware, Pearlina has no equal.

Beware of imitations, prize packages and peddlers.

ADDRESS

The GLOBE, TORONTO.

Come, Fellow Farmers!

It is the good things and the new things you want. Here is a Catalogue full of them! Do you want tested seed, raised from stock selected with extra care, grown from the best strains, got from the originators? I aim to have mine just such. Do you want new varieties that are really good, and not merely novelties? I aim to have mine such. Do you want seed that the dealer himself has faith enough in to warrant? I warrant mine, as see Catalogue. Do you want an exceptionally large collection to select from? Mine is such. Do you want them directly from the grower? I grow a large portion of mine—few seed-men grow any! My Vegetable and Flower Seed Catalogue for 1889 FREE to everybody. JAMES J. H. GREGORY, Marblehead, Mass.

MANY OLD FARMERS require much fertilizing the soil and want to produce a profit. The rich, loamy soil of Michigan Farms, such as the one at Marshall, Mich., with good society, Church, etc., make Michigan Farms the best in the world. Call on me and I will tell you how to get the best farms on long time; low rate of interest. O. S. BARNES, Land Commissioner, Lansing, Mich.
