MONTREAL MINING EXCHANGE.

BIG THREE STILL LEADING AND ACTIVE. — MARKET CLOSES FIRM WITH GOOD UNDERTONE.

Montreal, Nov. 4.

The week closed with little actual change in prices today's business being of a normal character.

Trading took place in the following issues Big Three, which was active at 12 cents, and sold to the amount of 8000 shares; Republic, a broken lot of which sold at 110; Virtue, 1000 shares of which changed hands at 47, and Brandon Golden Crown which sold to the amount of 1000 shares at 28½. There was also a sale made in Montreal Gold Fields at 9, 1000 shares being the amount.

Development work on the War Eagle is again said to be retarded by the unsatisfactory manner in which the machinery and hoisting plant are working.

Centre Star, which is its neighbor is said to be looking well. The main chute is more than twice what was expected when the mine was purchased. There are several holders of Centre Star stock here, but they seem very unwilling to part with their shares even at the present price. It is good to hold, as it will before many days be sailing around the 42 mark.

In our weekly review of yesterday we discussed more fully the various chances and prospects of the respective properties, and we cannot do better than refer our readers to the several issues enumerated therein and commend it to their careful consideration.

MORNING SALES.
