FORM OF BEQUEST.

"I leave and bequeath the sum of,—[the amount being written in words not in figures]—to the Fund of the Presbyterian Church in Canada,—(Here state whether Eastern or Western section)—and I declare that the receipt of the Treasurer for the time being, of the said..... Fund, shall be a good and sufficient discharge to my Estate and Executors."

A HERO.

There is a yet harder and higher heroism—to live well in the quiet routine of life; to fill a little space because God wills it; to go on cheerfully with a pretty round of little duties, little vocations; to accept uncomplainingly a low position; to smile for the joys of others when the heart is aching; to banish all ambition, all pride, and all restlessness in a single regard to our Saviour's work.

To do this for a lifetime is a greater effort, and he who does this is a greater hero than he who for one hour stems a breach, or for one day rushes onward undaunted in the flaming front of shot and shell. His works will follow him. He may not be a hero to the world, but he is one of God's heroes; and though the builders of Ninevah and

Babylon be forgotten and unknown, his memory shall live and shall be blessed.—Canon Farrar.
