

TO CREAMERY MEN

THE WISE MAN will consider well to whom he sells his BUTTER. A high bid may not be a good bid, and it does not always take the goods. It is simple enough to tell what you should get for your butter. Add freight to the Ontario market price and you have it. When the prices here go above that, Eastern Butter comes in. There have been carloads of it brought in this spring already. Depend upon it, we will pay every penny we can for your Butter. We are the best equipped house in the West, and have the most extensive connections. We give you a square deal every time, and pay promptly for what we buy.

We have our Eye on the future ! Have You ?
