

CANADA

Put Your Hand To The Plow!

Every fresh furrow means greater success for you, added prosperity to Canada, increased strength to the Empire and surer victory for the Allies. The farmers of Canada are today playing an all-important part in the European conflict.

Hon. W. T. White, Canadian Minister of Finance, says: "In order to meet our interest payments abroad, sustain our share of the burden of the war, and promote to the greatest possible degree prosperity throughout the Dominion, it is the duty of all Canadian citizens to co-operate in producing as much as possible of what can be used or sold. For Canada at this juncture the watchword of the hour should be production, production, and again production."
