Cor. Church St. TORONTOThe "Morning Despatch," St. John's,
Newfoundland, Thursday, July 14th, 1892,
says :**SAFES**

"Put not your trust in safes," at least not in English safes; the W. & C. Milner (London) safes, which were the pride of many a city office, and a Birmingham safe, one of which was prominent in the Surveyor General's office, have proven delusions and snares, their contents in every case yet heard of by us having been utterly destroyed. On the other hand the J. & J. Taylor (Toronto) safes have all come forth unscathed by the flames. The latter kind will henceforth be in great demand. They are stuffed with a sort of concrete, while the contents of the lining of the English safes (often burning when opened) were seemingly a kind of sawdust.
