

ROYAL BAKING POWDER

Absolutely Pure.

A cream of tartar baking powder. Highest of all in leavening strength.—U. S. Government Report, August 17th, 1889.

ROYAL BAKING POWDER COMPANY, 106 WALL ST., NEW YORK.

A BRIDE'S CONFESSION

"Yes, dear, I am married now, and George and I are keeping house in the loveliest flat on Sixth St. Well, yes, we did get married somewhat suddenly. My health, you know, had for some time been very delicate, and Dr. Beavy told mamma that he feared I would follow poor dear sister Belle, who died the year ago from a wasting disease. Dear George was almost crazy when mamma told him what the doctor said, and I nearly cried my eyes out, but one day I overheard that 'hateful Nelly Parker' say to her mother, 'I think that George Bianvelli is just too lovely for anything, and when the girl he's engaged to dies, and they say she is dying of a galloping consumption, I'm going to step into her shoes and become Mrs. George Bianvelli; now just you wait and see.' This spring I noticed George seemed to be almost resigned to the idea that we should never be married, and the thought that that deceitful lusus might get him after all nearly drove me crazy. One day I read the testimony of Lawyers Hows and Hummel as to the wonderfully invigorating effect of DR. CAMPBELL'S ARSENIC WAFERS, and I resolved to try what they would do for me. I commenced their use on the 4th of July. George had just sailed for Europe on business for his firm. On Sept. 15 he returned. I was, from the use of the Wafers, by that time again a well woman, and so enraptured was he with my healthy and robust appearance that he insisted we get married the very next day. I could not say him nay, and, as you will see by my card, I am now Mrs. George Bianvelli. Do call soon and let me introduce George to you; I assure you will like him, he is so handsome, and as good as he is handsome. Good-by; be sure not to forget."

THE DEY OF ALGIERS!

THE SHAH OF PERSIA and the SULTANS of TURKEY and MOROCCO now FATTEN and BEAUTIFY their humors exclusively on DR. CAMPBELL'S ARSENIC COMPLEXION WAFERS. So great is the demand for these marvellous Wafers that their manufacture is continued day and night.

"The Shah found his harem in a state of disorder on his return to Persia."—N. Y. World, Oct. 12, 1889. Reason—Their supply of CAMPBELL'S WAFERS was exhausted!

ILLUSTRATIVE of the desirability of a certain amount of Phosphorus, reason has it that the above distinguished Oriental Potentates make it a practice to WEIGH their wives regularly once a month, precedence in rank and imperial favour being accorded to the wife possessed of the greatest number of pounds avoirdupois.
