# VERITY PLOW CO. LTD.

BRANTFORD, ONT., CANADA.

Successors of W. H. VERITY & SONS, Exeter, Ont., and PATTERSON & BRO. CO. (Plow Business), Woodstock.

WE are now prepared to place on the market the most complete and best line of Plows ever manufactured in Canada. We have acquired the plant, patterns, patents and good will of W. H. Verity & Sons, Exeter, Ont., and of Patterson & Bro. Co., Ltd., Woodstock, and have recently purchased the greater part of the Plow plant of the Phoenix Plow works, London, Ont.

Our new works at Brantford are being equipped with the latest and best appliances, including the most approved devices for hardening and tempering steel, also an elaborate aerated fuel oil burning plant, by which process alone the best results can be obtained.

We will continue to make the celebrated "VERITY" Plows, admitted to be at the head of all Canadian Plows, and equal in every respect to any made in the U.S. also the standard "Patterson" Plows; and have added to these lines other new and approved models. We have Plows to suit the ideas of all kinds of men, and adapted to all kinds of soil, and every part of the country. We will also manufacture a line of Scufflers.

If you want a Plow, examine our goods or you will miss it, for we use only the highest grade of material—none but Soft Centro Crucible Steel Mould Boards, and guaranteed high class workmanship and finish in every particular.
