* These groups are unofficial and they have been established to take account of the purposes of resolutions 1990 and 1991 of the XVIIIth Session of the General Assembly.

** France and the United Kingdom are members of the WEO group but the United States does not participate. In regional meetings of various committees, particularly the Second and Fifth Committee, both the USA and Japan attend WEO meetings. For electoral purposes to subsidiary bodies (mostly economic and social) observers are considered part of WEO group and occupy seats allocated to WEO.
