

*Business of the House*

the resolution concerning the Federal-Provincial Tax-Sharing Arrangements Act; and then the bills with respect to the Trans-Canada Highway Act and the Fisheries Improvement Loans Act.

**Mr. Chevrier:** May I ask the house leader what the business will be for Thursday and Friday? I understand there is an agreement for Thursday but perhaps he could tell us what the business on Friday will be.

**Mr. Green:** It has been agreed that there will be a one day debate on external affairs on

Thursday. I am not sure about Friday. We may have to go on with some of this business, except the St. Lawrence Seaway Authority Act. We may take the estimates of the Department of Citizenship and Immigration.

**Mr. Chevrier:** Would the hon. gentleman indicate what we will do on Monday?

**Mr. Green:** Monday and Tuesday will be devoted to a supply motion, Mr. Speaker.

It being five minutes after ten o'clock the house adjourned without question put, pursuant to standing order.
