Dear Sir:

In aid of the Kiwanis Club Christmas Cheer Fund, I am putting on for four nights, the production "A Trip to Blighty", the 16th Battalion show, played by them to the boys in France, in which Ben Allen, Jimmy Graham and so many others made decided hits.

We had the honor to play to you on several occasions and a word of special commendation regarding the merits of the old 16th party will go a long way towards helping to fill some hungry stomach at Christmas.

We intend putting this show on, on December 13th and as it is our wish to use your letter for advertising purposes, I would appreciate very much an immediate reply.

I am yours still In Service,

Howard Large

(Formerly - Cpl. H. Large, 16th Can. Scottish)
