

on a notice of six months, the Secretary of State may cancel the lease at any time during the term.

Unoccupied Dominion lands will be leased to neighboring settlers for the purpose of cutting hay thereon, but not to the hindrance of the sale and settlement.

MINING LANDS.

As respects mining lands, no reservations of gold, silver, iron copper or other mines or minerals will be inserted in any patent from the Crown, granting any portion of the Dominion lands. Any person may explore for mines or minerals on any of the Dominion public lands, surveyed or unsurveyed, and, subject to certain provisions, may purchase the same. As respects coal lands, they cannot be taken for homesteads.

TIMBER LANDS.

Provisions are made in the Act for disposing of the timber lands so as to benefit the greatest possible number of settlers, and to prevent any petty monopoly. In the subdivision of townships, consisting partly of prairie and partly of timber land, such of the sections as contain islands, belts, or other tracts of timber, shall be subdivided into such number of wood lots, of not less than ten and not more than twenty acres in each lot, as will afford one such wood lot to each quarter section prairie farm in such township.

The Local Agent, as settlers apply for homestead rights in a township, shall apportion to each quarter section one of the adjacent wood lots, which shall be a free gift in connection with such homestead, and in addition thereto.

Any homestead claimant who, previous to the issue of the patent, shall sell any of the timber on his claim, or on the wood lot appertaining to his claim, to saw-mill proprietors or to any other than settlers for their own private use, shall be guilty of a trespass and may be prosecuted therefor, and shall forfeit his claim absolutely.

The word *timber* includes all lumber, and all products of timber including firewood or bark.
