

"There is a Best in Everything"

In Cooking Ranges it is the

HAPPY THOUGHT.

If appreciation by the public is a criterion of merit, the Happy Thought easily distances all competitors.

It is no ephemeral success, but has been before the public and growing in their estimation for fifteen years, and its reputation is now as solid and enduring as the range itself. Numerous imitations but clearly show the commanding superiority of the genuine.

The Happy Thought is now more artistic in appearance, and possesses a greater number of patented specialties than ever before. If you want the best cooking apparatus in the world, don't fail to acquaint yourself with the merits of this Range.

In everything the best is cheapest, and the genuine the most satisfactory, then get a Happy Thought and *know* you have the best.
