

WE ARE MANUFACTURING

Rigby Waterproof Overcoats & Trousers

Made of suitable Tweeds, which we can confidently recommend to the Public as superior to any Rubber or Macintosh garment, being WATERPROOF and at the same time porous and therefore not injurious to health.

These garments are not different in appearance to ordinary overcoats and trousers, but when the rain comes the wearer will be protected as thoroughly as by the heaviest rubber coat, and without that clammy feeling well known to wearers of rubber and macintosh garments.

RIGBY HAS BEEN TESTED, AND HAS PROVEN TO BE THOROUGHLY WATER PROOF, and at the same time soft and pliable. It is also economical, serving the purpose of two garments. Buy it, test it, and you will never wear another rubber coat.

For sale to the trade.

**It was a Rosebud all the same.**

The following conversation was overheard in a King street horse car on St. George's day:—Harry, where is your rosebud to-day? In my pocket, my dear; two of them for a quarter. Why! how cheap, but wont they get crushed? Give me one. Here you are, then—want a match? Why, that's a cigar you're giving me. Certainly, a "Rosebud-Reliance," one of Tasse, Wood & Co.'s best brands. That's a shame, Harry, but now you've deceived me you might tell me why they are called rosebuds. Well, the reason is because the end to be lighted is closed like a rosebud, in consequence of which the cigar lights evenly like a cigarette, and therefore can never burn crooked. Now, in lighting ordinary cigars you will notice—What? car stops.
