

**Resolution No. 5.**

RESOLVED, that the Western Canada Irrigation Association respectfully recommend to the British Columbia Government that enquiries be immediately set on foot to discover where at interior points wild grass can be cut for hay and the best means to make it available for stock during the coming winter.

**Resolution No. 6.**

**Submitted by Coaldale-Lethbridge Water Users' Association**

WHEREAS in certain provinces such provision as now exists for establishing an association of users of irrigation waters requires that such association be assented to by the company or individual holding the water license.

RESOLVED: That the Western Canada Irrigation Association endorses the recommendation of the recently formed Coaldale-Lethbridge Water Users' Association that legislation should be provided whereby water users within a territory served by irrigation waters be empowered to organize water users' associations without having first obtained the consent of the Company upon a petition of a majority of the water users resident within the proposed district and that such water users association be granted power to assess the irrigable land within the district for the purposes of the association.

**Resolution No. 7.**

WHEREAS it is desirable that such waters as are found to be available for irrigation should be distributed so as to supply as far as possible the greatest numbers of people and the largest areas of land.

RESOLVED by the Western Canada Irrigation Association that this Convention endorses a resolution recently passed by the Iron Springs Local Number 172 of the United Farmers of Alberta requesting the Dominion Government to carry on at once surveys, and investigation as to provide information as to the possibility and the probable cost of carrying irrigation water to as great a number of farmers as possible in the districts that can be supplied from the proposed diversion of the Oldman River west of Macleod.

**Resolution No. 8.**

RESOLVED that the thanks of the Western Canada Irrigation Association is due to the Mayor and Aldermen of the City of Nelson, the President and members of the Board of Trade, the members of the Local Board of Control, and the citizens of Nelson generally for the splendid and cordial reception which has been given visiting delegates and for the efforts which have been put forth to insure the enjoyability of their stay in Nelson.

AND RESOLVED, that the thanks of the Association is particularly due to the ladies of Nelson for bouquets of flowers and distributions of fruit: to the management of the Flower Show and to owners of automobiles and launches which have been placed at the disposal of delegates.
