

GLOIRE AU SANG DE JÉSUS !

A HARVEST OF GOLDEN FRUITS OFFERED TO THE LITTLE ONES.

Dear little ones, you whom Jesus caressed and blessed with His divine hand, during the days of His mortal life, you too are invited to concur in the ornamentation of the *Sanctuary of the Precious Blood*, by sacrificing in that view, some of the pennies given you for your daily pleasures. —Give willingly to Jesus Crucified, and in return He will give you His graces and His *Blood*. Strive to gather for Him the fruits of charity, and He will feed you, as a reward, on the fruits of the Tree of Life which adorn the gardens of the *City of God*.
