SEAFORTH, June 15,—(Special.)—It is quite possible and altogether probable that the time made in the two races to-day will not be lowered thru the Canadian circuit this season; such racing, say it would make your head swim; halves in 1.01½ and 1.05, and miles for 2.30 pacers in 2.1314.

Thursday afternoon, June 22 (Coronation Day), the Eaton Athletic Association is going to hold an athletic meet at Scarboro Beach Park. There are twelve events on the program, the special attraction being the three-mile walk between the two champions, Larner and Goulding. The church relay race at the Faton meed lest Saturday moved as the

as follows:

Mr. J. Surridge, West Toronto, purchased a team of beautiful bay, geldings, with size and superb quality, a team of show horses for his own work, price not reported. Wm. Fitchett, city, a good worker for \$75. J. M. Patterson, Pasis, Ont. got three very fair horses. The City Dairy Co., a beautiful brown mare, expresser. R. H. Sykes, Shoal Lake, Man., a full carload of heavy horses for western shipment. Mr. H. W. Weatherby, Rosthern, Sask., a full carload of mares to ship west. E. J. Jones, Ottawa, a high-class brown mare. Aitho Bill Papke knocked out Jim Sullivan, the English middleweight champion, in nine rounds, Sullivan still holds the English title and the Lord Lonsdale belt. Papke has proclaimed himself champion of the world, but he frankly admits that he will experience difficulty in making 158 ringside, the American limit, when he comes home, which may be Hamilton, Ont., the P.O. address of his wife's relatives. As Klaus, Houck and Hugo Kelly can make this weight, Papke will be compelled to reduce, regardless of the consequences, or forfeit his claim to the title. The only man who is willing to fight Papke at 180 pounds, scaling at 2 o'clock, is Cyclone Johnny Thompson, who was recently beaten to a standstill by Kelly. In this country Papke is regarded as a light heavyweight, and his most logical adversary appears to be Samuel Langford. Papke a year ago declined to meet Langford, drawing the color line.

The schedule for Saturday of the Dony Valley Senior League should be the best card yet. At 2 o'clock Lourdes play LC. B.U. and this game will be a corker, as the last time they met it took eleven innings to decide the winner. Lourdes will use Graham or Downs, and Woods or Morgan, while the Irishmen's points will include Brown or Nichols and, O'Brien and Kelly. At 4 o'clock the Riverdales play Evangelias. This also is sure to be some game, as both teams are playing great ball. The battery for Riverdales will be Sharpe or Bellingen and Valiant, while Evangelias' mainstays will be Legoode and Freestone. Umpire—Barnes.

lockey Rooney Fined and Suspended For Growding-Results and Entries.

LATONIA, June 15 .- The first disqualification of the meeting occurred in the third, was placed last and the show position given to Colston. Rooney on Fireman was fined \$100 and suspended for tendays for fouling Colston in the back stretch. Any Port, coming with a rush in the final sixteenth, overtook Hazel Burke, and won the race by a length. A long delay at the post occurred in the second race, when Nictate threw Jockey Ross shortly after leaving the paddock. All efforts to get the horse under control proved futile, and the entry was withdrawn. A large crowd witnessed the sport, and as a rule the finishes were close. Summary:

George Smith will be the new captain of the Newarks. Manager McGinnity made a deal with Larry Schafty of the Troy team of the New York State League for the services of Smith in exchange for Si Parkin, the eccentric pitcher, and Infielder Jimmy Frick. Smith played the keyctone bag for Rochester ta one time, and was captain and manager of the Bisons for a while last season. He started with Montreal, but was released early in the season. He was then signed by Buffalo, and finished the season there. It is expected that with Smith in the infield the team will play better ball. TO REINTRODUCE GRAIN BILL. OTTAWA, June 15.—(Special.)—The grain bill, which was offered to the house of commons just before adjournment and withdrawn when characterized by western members as a fake, is to be reintroduced. Officials of the trade and commerce department are working on the bill, which will probably present some new features on its reappearance, especially in regard to government-owned terminal elevators.
