POLITICAL INTELLIGENCE

a retrospect of Mr. Borden's western tour, recalls that few of the Liberal and calls upon Mr. Fielding, Mr. Paterson, Mr. Graham or Mr. Pugsley to arrange for a tour next summer. The Free Press is not sure that Mr. Borden has acquitted himself in a manner worthy of a Dominion leader. Has he shown an unfailing sense of the he shown an unfailing sense of the duty which, in the high office he holds, he owes to the whole people of Canada, or has he forgotten that duty by descending to pleas to sectional feeling?—is he a democrat, a leader of the people, a statesman to whom the whole Canadian people can look with confidence?

"Some people are finding fault with."

Mr. Borden, according to the paper, has not demonstrated that he has a

"As for the planks about economy, honest administration and careful conservation of the public resources, the Moses of the Conservative party would have been in better position last evening to discourse the property of the conservative party." by a number of politicians whose applause of those utterances of Mr. Borden's gives no sufficient warrant for belief that when the next election contest is on they will bring forth fruits meet for repentance by confining their confidence of activity to immaculate methods of

campaigning."
On the other hand, The Winnipeg Telegram (Cons.) declares that Mr. Borden has the confidence of the independent electorate, that element which makes and unmakes govern-ments, and that he has the ear of many former supporters of the Laur-

ier government.
"To him, the embodiment of high political ideals, they naturally look for the restoration of honesty in the government of the country. That is the real explanation of the unbounded enthusiasm which greeted Mr. Borden yesterday. The people believe in him. They are impressed by his sincerity and by the evidence of genuine conviction which marks his utterances." Finally The Telegram remarks:

"His western tour has been series of notable successes, an Winnipeg is naturally proud to know that the greatest of all these successes was scored in this, the west's metropolis." The Montreal Star (independent

Con.) says the recent by-elections appear to show no change in sentiment. pear to show no change in sentiment That this is so, is not surprising since The government are proceeding to tread the opportunist path with such skill and diligence as they can command, deflected therefrom only by the pressure of strong intrests and the need of satisfying the appetites of 'the boys.' The opposition—contrary to all tradi-tion—has become the timid party. substituting mild suggestion for positive aggression and doing its official 'opposing' in a half-hearted way.
