be some expectation of a shaded rate. Fail. the six the district for the week number 12, with llabilities only exceeding \$10,000 in one case.

Wholesale trade at Toronto this week was moderately active. In drygoods he movement continues satisfactory, with the movement in cotton goods may be expected, say manufacturers, owing to the high prices of taw cotton, now the highest for four or the years. Imported goods are also very firm, Hospital the season. Travelers report the outlook light for sales of spring goods. General treeks at country points are and large. Milphilately active to the proposed and metals at each of spring good dended prices. Tens and advance in carboilc acid forceries quiet at generally unchanged prices. Tens and offers very firm. Hospital the subject of the superannuation of High School and butter is unusuated this export movement in wheet Barley, pats, and peas are ligher than a week ago. The hoard passed a resolution approxing of legislation he would himself be nappy and hop groups are doing well, with good in treases in earnings as compared with a year ago.

Local Topics.

Briar plug, sold at seven cents Saturdays only,—Alive Bollard,

Rev. Prof. Clark of Trinity will preach in St. Anne's Church, Dufferin-street, Sunday, the 18th inst., at the 11 o'clock service.

The two Fox-Piper invalid beds presented by Messrs. Hunter, Rose & Co., and Dr. The following resolution was accordingly be requested to pass such legislation as may be necessary to give the boards through the waited on without delay.

The two Fox-Piper invalid beds presented by Messrs. Hunter, Rose & Co., and Dr. J. B. Gullen, to the contingent, were ship-ped Thursday night in charge of Dr. A. E. Ross, one of the troopers.

Rev. Alex. Gay, who has returned to Canada from evangelistic work. In California, Utah and Michigan, will give an address entitled "Diamonds," at the Western Baptist Church this evening.

Rev. Arthur Murphy continues his mission services at the Church of the Messiah, Avenue-road, corner Dupont-street, each day next week, afternoons at 4.15 and evenings at 8 o'clock. Mr. Murphy will preach at both services on Sunday, besides addressing a meeting in the afternoon at 4.15.

The members of the Canadian Institute will hold their usual meeting in the Library, 58 East Richmond-street, this (Saturday) evening at 8 o'clock. A paper entitled "Timber Testing," with lantern silde illustrations, will be read by Mr. I. A. Duff of the School of Practical Science.

S. Ackerman, commercial traveler. Belle ville, writes: "Some years ago I used Dr. Thomas' Eclectric Oil for Inflammatory. Rheumatism, and three bottles effected a complete cure. I was the whole of one summer unable to move without crutches, and every movement caused excruciating pains. I am now out on the road and exposed to all kinds of weather, but have never been troubled with rheumatism since. I, however, keep a bottle of Dr. Thomas' Oil on hand, and I always recommend it to others, as it did so much for me. ed

THE LEADING NEWSPAPERS OF CANADA

The "Montreal Star" leads throughout the Dominion with a record of circulation and advertising patronage never before approached in Canada. Circulation of "Montreal Daily Star." 55,000. Circulation of "Montreal Weekly Star," 125,000.

### Does Any Other Paper in the World Grant This Right?

The Montreal Star bases all advertising contracts on the truth of its circulation claims. All advertisers have the right to verify the STAR circulation figures in the most exhaustive way that any advertiser can devise. If the STAR is found to have exaggerated the circulation the advertiser has the right to resist payment of bills. The Montreal STAR maintains the right of all purchasers of any kind of value to weigh, measure, or count for themselves. No merit claimed for this, but does any other paper do it?

Montreal Daily 55,000 Montreal Week- 125,000 ly Star - - 125,000
