CONFEDERATION

LIFE ASSOCIATION

PROCEEDINGS OF THE TWENTY-NINTH ANNUAL MEETING—HIGHLY SATISFACTORY RESULTS.

The twenty-ninth annual report, presented at the annual meeting, held at the Head Office of the Association on April 29, 1901, was entirely satisfactory.

The Directors are well pleased to be able to present a report which cannot fail to prove satisfactory to both shareholders and policyholders.

The new applications for the year amounted to \$5,301,804; accepted and issued for the year, to \$3,078,880; the total insurance in force at the close of the year, \$22,882,008.

The claims arising from death were well within the expectation, calling for a total sum of \$29,883, under 175 policies, on 144 lives.

In addition to the amounts paid to the representatives of deceased policyholders during the past year, the association paid to living policyholders the large sum of \$25,714,500 under endowment policies.

The valuation of the policy and annuity obligations of the company was made by the Insurance Department at Ottawa. It calls for a total liability of \$7,044,536.

The higher liability called for by the company's own standard of valuation, namely, the Institute of Actuaries' H. M. table, and 4 1/2 per cent. on business to December 31, 1895, 3 1/2 per cent. for the business of 1896 to 1899, inclusive, and 3 per cent. for the business of 1900, is \$7,146,811, the liability assumed in the balance sheet.

The financial statements fully set forth the position of the company at the close of the year, and are not called for special remark. The audit, as usual, was made monthly during the year, and the report of the Auditors is subjoined to the financial statements.

Resolutions were passed thanking the officers and members of the agency and office staffs, the solicitors and medical examiners, for their faithful services during the year.
