Her Royal Highness Wishes the Dominion Exhibition Success.

At a meeting of the Exhibition Board once more. held yesterday it was decided that the hours for running the processes of many hours for running the processes of manufactures should be as follows: 10 to disagreement in the evidence submit-

tell the directors anything they would like to know. Mr. Christie said that he had spent two or three days on the Exhibition gorunds and was very much pleased with all he had seen. When, in making up the packages, they had found the jewels and rarest specimens of the gifts could not be compressed into fifteen cases, three feet by six, and three feet six inches high, the King himself turned round and said: "O, make it up in twenty. Send some of the things I have at Sandringham and Buckingham Palace that were given to me when I made a tour of India." Un when I made a tour of India." Un-His Majesty's personal supervision collection was made of rare and valuable saddlery, elephants' tusks, Indian above the saddlery, elephants' tusks, Indian avory chairs and other costly and precious articles, filling five additional cases. Mr. Christle said he had been with the presents in many parts of Scotland, England and France, and fregential (MUR) people a day had yley-

at any point, enabing visit to "Royal number.

Every province is represented in the live stock and dairy departments at the Dominion Exhibition. The dairy building will be full to overflowing. Shorthorn entries are 25 per cent, above the horn entries are 25 per cent, above the

## SAFE CRACKERS AT WORK. Merchants' Bank at St. George

was made here about 2 o'clock yes-terday morning. Three unknown men arrived here from Brantford on Sun-day and they are supposed to have been the perpetrators of the crime. Nitro-glycerine was used on the safe and the explosion was terrific. The

with bullets, intent on frightening the safecrackers away. A few minutes afsafecrackers away. A few minutes af-ter the explosion he went into the America when that schooner captured ter the explosion he went into the bank with Dr. Addison, but the robbers had fled, leaving no clue. No money was secured. The men are supposed to be a gang of experts who have been touring thru Ontario.

America when that schooner captured the Queen's Cup, Captain Henry C. Hoffman, now a prosperous coal merchant, says: "Sir Thomas Lipton has a fine boat; there can be no doubt of that, I think the Irishman will 'lift the cup'. You may notice that there

the traveler than his knowledge of the fact that he is traveling on a firm roadbed, upon which is laid the heaviest of steel rails, made true in all their curves, and that the train which carries him is of the highest standard of excellence known to railroads and is being guided to its destination by experienced minds. These are the conditions of the province of a trip on the fine steamers on the conditions of the city of New York. All trains arrive at and depart from the grand Central Station, Fourth-avenue and Forty-second-street. Route of the famous "Empire State Express."

they are carefully packed when returned.

The pictures are small oil paintings, the subject of one being "An Italian Peasant," and the other "A Bend in the River Thames."

Her Royal Highness would have liked to send more, but, as you will be aware her public duties are so numerous now that she gets very little time, indeed, for work in the studio.

(Sgd.) W. G. Probert.

The Dominion Exhibition will be so important an affair that the Imperial Bank has decided to open a branch on the grounds and fit it up at considerable expense.

One of the Dufferin presents is so highly prized that it has been insured for £5000. It is a rare sample of Eastern jewelry.

Leave Toronto by Grand Trunk "Muskoka Flyer" at 11.30 a.m. for Penetang, and at 2.20 p.m. go aboard the steamer "City of Toronto" for Parry Sound, reaching there at 8.00 p.m., enjoying the delightful trip through the inside channel of the Georgian Bay.
