Betrayed People and Allies.

Russian generals, sympathizing with Germany for many reasons and knowing the spirit and will of their masters, betrayed Russia to Germany. The old regime betrayed the people of Russia and thus also betrayed Russia's allies. Hundreds of thousands of lives, the flower of Russia, were sacrificed on the battlefields, victims of this conspiracy.

The revolution came in a large measure as a protest against this stupendous

Fears of Russia's Betrayal.

Before I left for Petrograd in May I had occasion to acquaint myself with a series of charges made against certain members of the Russian officials that revealed astounding facts and accounted for many of Russia's reverses.

Woman Used Ford As Mask.

It was pathetic to see Mr. Ford, whom I regard as one of the noblest idealists of our age, when it dawned upon him that something was wrong with the expedition. I was the first to declare to Mr. Ford that I would leave the expedition upon reaching Stockholm. I felt that I could not be identified with an expedition whose moving spirit, Rosika Schwimmer, was disguising behind the noble ideals of Mr. Ford and his purest motives a scheme which was intended to serve not only her own selfish interests, but perhaps also one of the groups of belligerents against another. Henry Ford was the first man to leave the expedition in Christiania. I was his first guest to leave it.

"As for the United States, we wish nothing except to have it clearly understood that the Monroe doctrine is to be upheld in the future as in the past. South of the equator this doctrine can be left to Brazil, Argentina and Chile, who are strong enough to maintain it, and whom we will aid in maintaining it only when they so desire.
