Roy Clark, Motor Accident Victim, Is Reported Improving.

CHATHAM, Aug. 14.—The city of Chatham is facing a serious ice shortage, and it is expected that a movement will be launehed for the erection of a municipal ice plant to care for the city's needs next year. Grocers complain that from Friday of last week until yesterday they were unable to get ice.

Ray Clark, aged 17, son of J. H. Clark, who last night was seriously injured when, driving his motorcycle, he collided with an automobile on Murray street, was today reported to be improving in St. Joseph's Hospital. He sustained injuries to his head and face, and may love the sight of one eye. He also sustained bad cuts and lacerations to his limbs.

RETAIL MERCHANTS SAY OTHER CLASSES MAKE THE PROFITS

missioner Is Confusing the Public Mind.

BRANDON, Man., Aug. 14.—At today's session of the Manitoba Retail Merchants' Association a resolution was passed in which it was declared that the Federal Government and other investigations had shown conclusively that retail merchants as a class have not made unfair profits, but that, to the contrary, it had been revealed that enormous profis had been made by many other classes "much nearer the source of supply."

It therefore appears, the resolution continues, that the high cost of living commissioner, Mr. McFall, in making his charges, is diverting and confusing the minds of the consuming public on the real causes of the trouble. It concluded with the urgent request that to keep down expenses. on the real causes of the trouble. It concluded with the urgent request that the newly-appointed board of commerce fully consider the question as it applies to the retailer at the earliest possible date.
