

# TEN GOOD REASONS WHY LOTS IN NEW LISKEARD ARE A GOOD BUY

- NEW LISKEARD will shortly have a fine dock and siding from the Timiskaming and Northern Ontario Railway that will enable goods to be distributed to all points on Lake Timiskaming, as well as received from all points.
- NEW LISKEARD draws all its building materials right from the town, which means that the cost of building is very reasonable.

- NEW LISKEARD'S fire protection service is good, and the insurance rates are much lower than in any other Northern Ontario town.
- NEW LISKEARD is now putting in a complete sewage system and a septic tank is being installed.
- NEW LISKEARD has the only General Hospital in the north country.
- NEW LISKEARD people can live much cheaper than can those of any other northern town.

- NEW LISKEARD is the gateway to a great farming section.
- NEW LISKEARD has a population of about 4000, and it is constantly increasing.
- NEW LISKEARD has cheap electric light and cheap electric power for manufacturing purposes.
- NEW LISKEARD has an excellent waterworks system, and the best water in the Timiskaming District.
