OLD TIME BASE BALL GAME

The following account of an old time ball game is taken from the scrap book owned by Henry Warlock, this city, will be read with interest. The account is from the Telegraph newspaper, the game took place on the Barrack Square on May 15, 1874, between the Invincibles and Mutuals. Most of those who took part in this game have passed away.

Second Championship Game—The Mutuals defeated the Invincibles.

What proved a very exciting game took place on the barrack green yesterday afternoon, between the Mutuals and Invincibles, it being the second in the championship series. The attendance was very large, a great deal of interest being caused by the fact that the Mutuals were without their regular catcher, and that three of the men who had played with them last year were not in this season's team.

Play was called a few minutes after three, the Mutuals at the bat, as usual. But one tally was made while the Invincibles got a coast of whitewash. The second inning brought two scores for the Mutuals and three for the Invincibles—the latter, in this inning, sprained one of his fingers, but it was not until the sixth inning that McBrearty was substituted in his stead. The Invincibles made the same number in the third inning, allowing their opponents to get but one. A similar score for each side was made the following inning, and the Invincibles lead was increased to four. Seven scores were secured by them in the fifth inning, the Mutuals making only two. Sixth inning: Mutual 7, Invincible 4. The latter received a coast of whitewash, Collins taking two runs made by the others. In the eighth inning the Mutuals got their first and only whitewash, Collins taking two fouls in a style that won for him loud and long continued applause. The Invincibles getting three runs. The score at the stage of the contest stood Invincibles 23, Mutuals 17. The latter went to the bat and few of the spectators were not surprised at the result—18 runs, Hilyard making

the only home-run of the day. But it is a game full of surprises, and that is the beauty of it. This immense number added to their score, by the Mutuals, completely disheartened the Invincibles, and but one run was the result.

The fielding on the part of the Mutuals at the first of the game was very poor, but Robert was sent to catch in the sixth inning, Hilyard going to second; Hart and Olive changed positions which was a very bad move. Robert caught admirably. In batting, Olive, Eckert and Masters excelled.

For the Invincibles the playing of Collins, Kelly, Munroe and Tierney was excellent, and considering the fact that the two former played for the first time in a match game, they did remarkably well. Rogan led at the bat. The score was as follows:

| | Mutual. | O. R. |
|----------------|---------|-------|
| Hart, 1b | 5 | 1 |
| Olive, c | 3 | 4 |
| Hinch, 1 f | 3 | 4 |

| Hilyard, c | 1 | 7 |
| Eckert, 2nd b | 1 | 7 |
| Masters, 3rd b | 1 | 6 |
| Sandall, p | 0 | 4 |
| Total | 27 | 35 |

| | Invincibles. | O. R. |

BASE BALL

The Shamrocks defeated the Thistles 9 to 8 in Carleton last evening.

Amateur League's Good Game.

In the amateur league series on the Victoria grounds the Marathons and Portland Y. M. A. gave the good sized gathering of spectators a splendid exhibition of base ball last evening. For six innings both teams tried hard to secure a score but failed, the game ending in no score.

On several occasions both teams had the bases full and the interest grew intense, but the excellent work of the pitchers saved their respective teams from being scored against.

The battery for the Marathons was E. Mooney and J. Rootes, and for the Portland, Murphy and Lee.

DIAMOND NOTES.

When a manager changes pitchers in a game and his team loses he gets it either way. He is criticized on one hand for not letting his first pitcher stay in and on the other for not taking him out sooner.

Danny Hoffman is the American a double figure score.

The Washingtons were the first American League team to be whitewashed by a double figure score.

According to a report from South Bend, Manager McGraw tried to sign one Dubuc, the star pitcher of the Notre Dame University nine. Dubuc is something of a sensation in his circle. He has not lost a game in this his first season of college ball, and leads his team with the bat.

The great mystery of the season is what does Jack Stahl want to do?

One trouble with Pitcher Hall, of the Cincinnati is a tendency to work too fast. He and Joe Doyle could compare notes to their mutual benefit.

National League teams are well too timid about the squeeze. It can't be played by reaching for the plate with one foot and keeping the other on third.

Bad weather or bad feeling, the people

turn out to baseball in large numbers just the same. Among other attractions of the sport they know the game is on the level.

There were no symptoms of the disease known as swiftness among the Cubs.

It is said the medicine known as essence of whiteness—nine drops a day daily for one week, taken in the fall of the year—will prevent the ailment.

Griffith has derided pitchers sixteen times in twenty-seven games already this year.

The pupils are beating their teachers. Here are John McGraw, Hugh Jennings and Joe Kelley with teams right up to or therabouts while Hanlon is back in the second division.—New York Sun.

Addie Jones has not lost a game so far, having nine straight victories to his credit. Chesbro, of New York, holds the American League record, with fourteen in a row in the summer of 1905, and the way the Cleveland man is working he looks good to duplicate or even excel that performance.

Hughes' Jennings' Tigers, however, say that they will stop it in short order when the Naps strike the city on the Straits for a series.

Toronto's place at the head of the league is accounted for by the fact that there are on the Canuck team nine players who are batting over .300 per cent. It is true that four of these are pitchers, but when it is remembered that Buffalo's heavy hitting pitchers—especially Brockett and Mulligan—helped win Buffalo the pennant last year, it will be seen that the Toronto are opponents not to be sneezed at. The Bisons being in second place is found in the fact that they lead the league in team fielding and batting.—Buffalo Times.

TENNIS

St. John Club Competitions.

At a special meeting of the St. John Tennis Club, held in the clubhouse Friday afternoon, Miss Florence Harding and Messrs. Ernest Alward, Nod Lee and Bernard Miller were elected to membership. Several tournaments have been arranged. Cups have been offered by Mr. L. W. Barker, Mrs. W. A. Harrison, Misses Clara Schofield, Kate Hazen and Nan Baraby. This month a ladies' singles handicap will be played; in July, ladies' doubles and beginners' singles; and in August, ladies' angles. A competition will take place among the men for the cup offered by the president, Dr. Stewart Skinner.

THE RING

MIKE (TWIN) AT HOME.

Mike (Twin) Sullivan arrived in Boston at 8.45 Tuesday night from Denver. He looks well. He stated that he was sorry he did not meet Thomas at Denver. He says he did not propose to box him for the little money they would get for it. "Some of my friends on the newspapers there," said Mike, tipped me off not to go on with the match, as I would get very little out of it. I explained matters to Thomas and told him that any time a suitable offer was made for the bout I would meet him. The Twin has no match in view and he intends to take a rest.

Regarding his battle with Harry Lewis at Denver he said: "I was deliberately robbed of the decision. The sports of Denver told me when I returned to the city that I gave Lewis a worse beating than he received from Gardner. As to my battle with Melody I do not care to talk. It's none of your business. When I left Denver the promoters there were trying to fix up a match between Gardner and Gans but I do not think they can arrange it."

"My brother Jack, I expect will be home in a short time. There is little prospect of his getting a match in the west unless at Denver."

ABSOLUTELY NOTHING DOING.

TONOPAH, NEV., May 29.—The public can draw its own conclusion from the following interchange of telegrams between James J. Jeffries, the retired heavyweight champion, and the firm of Johnson & Brown, promoters of championship fights at Tonopah, Nev. Los Angeles:

"Clubs here trying to get Squires for July 4 to meet winner of Hart-Shirck fight on Decoration day. Will you meet winner of that fight on Labor day? Prize \$40,000. Fight to be for heavy weight title. Will also allow you \$2,500 for expenses besides."

"My backers, Johnson & Brown, are men of means and there will be no delay depositing the money in bank if you say the word."

"Will meet you in Los Angeles June 2 or Fresno, or will pay all your expenses to come here any time before then to make match."

"JACK CURLEY."

Here is the answer from Jeffries: "Jack Curley, Tonopah, Nev."

"Absolutely nothing doing."

Newton Brown gave a recital of the famous play, David and Jonathan, in Union Hall, North End, last evening under the auspices of Forester Lodge, I. O. O. F. The play is supposed to illustrate the principles of Oddfellows and Mr. Brown held the attention of the large audience closely throughout. Without scenery, costumes or any properties Mr. Brown made the play entertaining and enjoyable, taking all the parts himself.

His Lordship Bishop Casey arrived from Moncton yesterday.

RETIRED PREMIER.

Members of the government met in the executive council chamber at 8 o'clock this evening and were sworn in by the lieutenant-governor as follows:

Premier, provincial secretary and attorney-general temporarily—Hon. Clifford W. Robinson.

Surveyor-general—Hon. F. J. Sweeney.

Solicitor-general—Hon. Wendell P. Jones.

The portfolio of commissioner of agriculture is held by Hon. L. P. Harris, who is at present in England.

Members of the government will leave for St. John by early train tomorrow morning and will hold a meeting there.

It is understood that Premier Robinson will not make any cabinet appointments at present but will wait until he has had an opportunity to consult with the members of the legislature who are supporters of the government.

Mr. Robinson is the recipient of much hearty congratulation.

Premier Robinson stated this evening that it was his intention to fill the vacant portfolio of attorney-general within a week or as soon as he had time to consult with friends and supporters. The question of appointing members without portfolio would also be considered.

The government sat until after midnight.
