

BEARINE, FOR THE HAIR.

Prepared from the Pure Grease of the Canada Bear.

IT IS A HAIR BEAUTIFIER, PRESERVER AND DRESSING.

This elegant preparation, named from the Canada Bear, from which its most essential element is obtained, is a scientific compound of real Bear's Grease, and other ingredients, so combined as to retain for a great length of time its original fragrance and purity. Genuine Bear's Grease has long been held in high esteem as a valuable (cheap at any price) article for dressing the Hair. It has been highly commended and used by eminent Chemists and Physicians of every country. Like all good things, it has been imitated and counterfeited, perhaps to a greater extent than any other commodity known in trade and commerce; yet, notwithstanding all of this, together with its great scarcity, both of which have served to depreciate its use, the fact of the great value of Genuine Bear's Grease, as a healthful, invigorating dressing for the Hair, remains firmly fixed in the minds of the public. The idea of procuring this article fresh and pure, refining it and preparing it for general consumption, was suggested to the proprietors of BEARINE, from their superior facilities for obtaining the Pure Bear's Grease. Having an already established business for the sale of their world renowned "Pain Killer," with agents located in every trading post in the Dominion of Canada and throughout the great North-West, and with these unsurpassed advantages for obtaining the Genuine Grease, fresh and pure, they are enabled to produce and to supply a purer, better, and safer Hair Dressing than has hitherto been offered to the public.

TESTIMONIALS.

PROVIDENCE, R. I., March 6, 1874.

*** Having used the BEARINE in my family from its first introduction, and finding it to be such a superior article, I take pleasure in recommending it over all other preparations in the Hair Dressing line that I have ever used.

Yours truly,

A. O. HALL.

Robert Larivé, of St. Peter St., Montreal, writes:

DECEMBER 5, 1872.

"By the use of your BEARINE, my hair, which was thin, dry, and falling out, has recovered its vigor, and has not only stopped falling, but a beautiful, new and healthy growth has taken its place. I have found the BEARINE the most agreeable and pleasant Hair Dressing I have ever used."
