CITY PUBLIC WORKS
 Despite hard times, Commissioner Potts expects to find enough money to resume the operation of the stone crushing operations in West St. John during the winter. The experiment was tried last winter and proved very successful. Not only did the department do some valuable work in clearing away the rock that obstructs part of a street, but the crushing of the stone that was taken out provided good material for McAdam pavements in several west side streets during the early part of the summer. The commissioner looks forward to continuing operations along the same lines. The public works asphalt plant has been closed for the season, the colder weather making continued operation impossible. The last work of this branch of the department was the repairing of the sidewalks in Winter street and the new asphalt laid in Broad street between Carleton and Sydney. The only street work in progress at present is that of repairs and the surfacing of the track section in Douglas avenue. Waterbound McAdam is being used there.

The 69th Battalion To Arrive Here Saturday
 Due on Two Trains in Morning—Preparing for Reception of Returned Wounded Soldiers

The 69th Battalion, from Montreal, will arrive in the city in two special trains on Saturday morning, the first at 7:45 o'clock, the second at 8:45 o'clock. They will leave Montreal tonight. Their arrival in St. John will be attended with an enthusiastic demonstration by the city authorities, patriotic societies, recruiting committee, and the general body of citizens. They will probably detain about 9 a.m., and will march through the principal streets to the armory.

The first of the hospital trains being made up by the I.C.R. will soon leave the city. There are expected about 250 invalid Canadians here soon as the International is arranging special ambulance train to carry those who are going to points in Upper Canada and the west to their homes.

Two men signed the honor roll at the Mill street office today, George Stanfield of St. Patrick street, and H. Martin of Mill street.

Reported for Duty
 Lieut. J. Adams Bruce, who has been detained on special duty at Halifax, reported to Major Barker at Fortin's Island today for service with the 4th Siege Battery, with which he will go overseas.

No Further Word
 Still no word has been received by Lieut. Col. Wedderburn as to the mobilization of the 118th. Those interested in the matter of its stationing and being recruited are urging the use of local buildings, and are relying upon the Halifax announcement of a few days ago that it would be here for the winter. Capt. Sprenger, recommended for adjutant with the 118th, left last night for Halifax on a short visit.

"ST. JOHN BOYS ALL WELL"
 A copy of "The Iodine Chronicle," published by the No. 1 Canadian Field Ambulance in France, has been received from Pie. Robert J. Ross, No. 23244, with the postscript that "All the St. John boys are well." This attractive little paper has previously been reviewed in the Times. It is well worth the reading.

BIRTHDAY PARTY
 A very enjoyable birthday party was held yesterday afternoon from 4 till 7 o'clock at the home of Mr. and Mrs. A. M. Winter, Harding street, in honor of Master Malcolm Winter. A large number of children attended and had a delightful time. The first prize for planning the ball on the monkey went to Herbert Webster, and the booty prize to James Baxter.

POLICE COURT

See, who were arrested last night in their home in Union Alley by Detective Thomas Bennett and Assistant Detective George Briggs and Policemen Winter and Deane, and Alexander Diggins and Mary Jane Toner, who were also taken into custody, were remanded in the police court this morning. The first two mentioned were charged with being proprietors of a disreputable house, and the last two with being inmates. They all pleaded not guilty.

ON THE RIVER
 The steamer Majestic is due at In-diantown this afternoon from Fredericton on her last trip of the season and upon her arrival she will tie up for the winter.

The steamer Victoria, which made her last trip to the capital a few days ago, went across the river yesterday and tied up at her winter quarters.

The steamer Champlain will leave Indiantown on Saturday morning for H. L. Field's Point, on the Bellefleur for her last trip of the season.

THE BRIDGE SERVICE
 The diamond which is to intersect the C. P. R. and street railway tracks near the new bridge, arrived yesterday and was placed alongside the road, near where the men are working. This morning the excavation for lowering the grade leading toward the C. P. R. track was finished and the rails are now being placed in position. In due course hardware jewelers will set the diamond and the trackwork of the approach must be undertaken. It is said the curved rails for this piece of road bed, which were specially ordered in Montreal, were shipped several days ago and on Wednesday had reached McAdam Jet; so they should be here very soon.

TWO SONS FIGHTING; THIRD JOINED BUT HE HAD TO COME HOME
 Friends will extend sympathy to Mr. and Mrs. William Napier of 118 Duke street west, in the news received by them this morning that their son, Earle Napier, had died of pneumonia in a hospital in France. He was a member of the 69th Battalion and was popular with many friends about St. John. Before enlisting, he was in the foreign office of M. S. A. Ltd.

Pie. Napier was only nineteen years of age, and was regarded as a bright young soldier. He enrolled with the 28th a year ago this month. Besides his parents, he is survived by two brothers, Walter with the C. P. R. in Montreal, and Maurice at home; and three sisters, Misses Amy, Lillian and Marjorie at home.

TWELVE OF THEM HAVE WON COMMISSIONS
 A letter received today from F. X. Jennings, Q. M. S. 21st Battery, 5th Howitzer Brigade, Otterpool Camp, England, says that many Canadian boys, no fewer than twelve, who crossed with the Field Artillery, have been promoted to commissions in the Royal Field and Royal Horse Artillery, while others are officers in the infantry and engineers. Sergt. Theo. Barker and Sergt. W. D. Case of Fredericton, and Bomb. "Buck" McKendrick of Charlottetown, are now "Regents" as subalterns are called in England—they all came with the 23rd Battery.

We have a fine staff of officers," Q. M. S. Jennings writes, "Our brigade commander is Lieut. Col. King, who won the D. S. O. in the present campaign, and our battery Q. C. is Major Andrew McNaughton, who has already "done his bit" in Flanders. We are still under canvas, but expect to be making a move to winter quarters next week, with removal to France at almost any time after."
