SERGEANTS' MESS ELECTS OFFICERS

Annual Christmas Treat
Will Be Given Again
This Year

The annual meeting of the Garrison Sergeants' Mess was held in their rooms at the Armory last night when most gratifying reports were received and officers were elected for the year. It was decided to have the annual Christmas tree again this year and Petty Officer Instructor H. E. Thompson, R.C.N.V.R., was appointed chairman of the committee to carry on with this event.

An entertainment committee was appointed to provide musical evenings and other entertainments during the winter.

After regular routine business had been transacted the following officers were elected for the ensuing year:

RELIEVED PAIN AND SWELLING OVERNIGHT

Long-standing case of rheumatism helped in a few hours

After having suffered with rheumatism for years, and tried all kinds of remedies in vain, thousands of people have at last found a way to get quick, sure relief.

"I have been a sufferer from rheumatism for years," writes one woman from Washington, D. C. "At times my hands are terribly swollen. Sloan's always gives me relief in a very short time. I have tried other liniments, but nothing equals Sloan's."

The marvelous effectiveness of Sloan's is due to its stimulating effect upon the circulation. Straight to the sick, aching tissues, it sends a healing tide of fresh new blood—clears out rheumatism germs—kills pain.

So pleasant and clean to use, too. You don't even have to rub. Just pat it on gently and you will get immediate results. All druggists—35 cents.

Safeguard
their Eyes

CORRECT Lighting is always easy on the eyes. Buying Edison Mazda Lamps, to keep your children's eyes alert, is much better than buying glasses to correct damage caused by wrong lighting.

Electric light has become the least expensive of all modern comforts. The average family pays less for light than for cream for the breakfast coffee.

For your portable and floor lamps use all white Edison Mazda Lamps. Incidentally, you will be surprised at the wonderful difference an extra floor or table lamp will make to your living room.

Near you is an Edison Mazda Lamp Agent. There you can obtain real information about good lighting.

so I tried it, and it has done me a world of good. I just took two and a half bottles, and I haven't had a headache for a long time, now."

APPLE QUESTION UNDER DISCUSSION

Women's Institute Takes up Marketing Method—Two New Members

Methods of marketing apples in New Brunswick were discussed at the Saint John Women's Institute meeting last evening in the Health Centre with Mrs. T. N. Vincent, president, in the chair. Mrs. Richard Hooper, convener of the committee on agriculture, said she had seen a farmer in New Brunswick with a splendid crop of Pausanias apples who was giving them away because, he said, if he shipped them to Saint John all the profit he could make was 50 cents a barrel and he would rather give them away than have the trouble of shipping for so small returns.

Members spoke of the poorer New Brunswick apples being all that could be had on the local market and stated the home grown product offered did not compare with the imported fruit. Two new members, Mrs. David Morrow and Mrs. Charles Powers, were elected.

Miss Sharkey gave the second paper in a series on celebrated contemporary men, an account of the life of Marshal Foch.

Mrs. Hooper exhibited Christmas cards made with pressed native flowers. The members were sorry to receive the farewell greetings of Mrs. Sydney Collins.

FIREMEN MEET.

The Fairville firemen met in their hall last evening with Frank Mason, engineer, in the chair, and made plans for an at-home to be held on Nov. 25.

CENTENARY CHURCH HISTORY RECALLED

Interesting Sketch Given by Judge Henderson at Meeting Last Evening

A very interesting account of the history of Centenary church was given at the Young People's Society of the church last night by Judge George A. Henderson, who has published a book on this subject.

Robert Laskey, president, was in the chair and the evening program also included devotions led by Miss Gretchen Moorehouse, a piano solo by Miss Mary Fulth and a vocal solo by E. Clyde Parsons. There was a good attendance.

The special program was arranged in connection with the observance of the 80th anniversary of the church.

SKETCH OF INTEREST

Judge Henderson in his address said in part as follows: "After the enlargement of Germaln street (now Queen square) church in 1838 the congregation became too large for the building and the question of the erection of Centenary church was discussed. Rev. Enoch Wood was the leader of the enterprise. Mr. Wood purchased three lots of land for the trustees of Centenary church, paying \$1,500. John B. Gaynor, as a donation, paid \$500 for a fourth and gave the lot for the purposes of the church. These four lots constituted the site on which the church was subsequently built.

"At 8 o'clock Sunday, July 15, 1838, Rev. Enoch Wood preached at an open-air service held on the floor of the chapel then being erected. On Monday at 11 o'clock the cornerstone was laid. The venerable John Ferguson, who had been a member of the Wesleyan Society for 47 years, laid the stone in a most devout and impressive manner. The building was 60 by 90 feet and of a very chaste design.

"The building was completed and opened for worship in the fall of 1839, the centennial year of Methodism. The last service in this church was held Sunday, June 17, 1877, Rev. Howard Sprague being the preacher. The great fire of 1877 swept the city, leaving Centenary church in ashes.

"The trustees proceeded at once toward the erection of the new church. Additional land was purchased so that in all a lot 225 feet on Wentworth street and 120 feet on Princess and Lennox streets became the site of the present church. The building of the school room was immediately commenced and on the following November, 1878, the present Sabbath school room was opened. Worship was conducted there until the church structure was completed and opened in August, 1882."

LIQUOR CHARGE

Alexander Legere was fined \$50 or three months in jail for having liquor in his possession in other than his private dwelling by Magistrate Henderson in the police court yesterday. Detective Biddescombe told of arresting the accused and produced the alleged bottle of beer found on the defendant by Detective Saunders. The report of Dr. Abramson, provincial analyst showed that the bottle contained beer having 5.80 per cent. alcohol.

SOCIAL ENJOYED.

The Saint John Power Boat Club held a very successful bridge and dance in their club rooms last evening. There was a large number in attendance.

CELEBRATE THEIR 57TH ANNIVERSARY

Mr. and Mrs. Peter Campbell celebrated their 57th wedding anniversary yesterday and had very many callers at their home, Hazen street. They also received numerous gifts and many bouquets of lovely flowers. Mr. and Mrs. Campbell have spent all their married life in Saint John and their wedding took place in New York. The officiating minister was Rev. Dr. John Thompson who was a former minister of St. David's church, Saint John.

TO DISTRIBUTE BASKETS.

Moulson Temple, No. 14, Pythian Sisters, at its meeting last night in Pythian Castle, made plans for distribution of 18 Christmas baskets.

Mrs. O. R. Black, M.E.C., presided. Arrangements were made for holding a rummage sale this week.
